

Judging Matrix

Each application will be assessed on 4 criteria and scaled from “Not evident” to “Excellent”

	Criteria	Not evident	Fair	Good	Excellent
1	The project has been developed specifically for a targeted group of Australian children and youth.	Unclear and/not evident.	Clear	Clear, convincing, but nothing especially distinctive.	Clear, convincing and distinctive.
2	The program will positively impact the audience within a 12 month time period.	Not evident, unconvincing.	Clear	Clearly shows the project will positively impact the audience within 12 months of receiving the Grant.	Clearly shows and justifies how the project will positively impact the audience within a 12 month period.
3	The project has community benefits.	Not evident, unconvincing.	Some attempt to identify short term benefits to the community.	Clearly identifies realistic short term benefits to the community.	Identifies and justifies short term benefits to the community.
4	The project will be measured and/or evaluated to determine whether it has been successful in achieving its desired outcomes.	Not evident, unconvincing.	Some attempt to identify measurement tools and processes.	Clearly identifies realistic measurement tools and processes.	Measurement and evaluation processes are comprehensive and sound.
