In the case of certain products, the Bank or one of its related bodies corporate is or may be the only market maker. The Group, its agents, associates and clients have or have had long or short positions in the securities or other financial instruments referred to herein, and may at any time make purchases and/or sales in such interests or securities as principal or agent, including selling to or buying from clients on a principal basis and may engage in transactions in a manner inconsistent with this report.

US Investors: If you would like to speak to someone regarding the subject securities described in this report, please contact Commonwealth Australia Securities LLC (the "US Broker-Dealer"), a broker-dealer registered under the U.S. Securities Exchange Act of 1934 (the "Exchange Act") and a member of the Financial Industry Regulatory Authority ("FINRA") at 1 (212) 336-7737. This report was prepared, approved and published by Global Markets Research, a division of Commonwealth Bank of Australia ABN 48 123 123 124 AFSL 234945 ("the Bank") and distributed in the U.S. by the US Broker-Dealer. The Bank is not registered as a broker-dealer under the Exchange Act and is not a member of FINRA or any U.S. self-regulatory organization. Commonwealth Australia Securities LLC ("US Broker-Dealer") is a wholly owned, but non-guaranteed, subsidiary of the Bank, organized under the laws of the State of Delaware, USA, with limited liability. The US Broker-Dealer is not authorized to engage in the underwriting of securities and does not make markets or otherwise engage in any trading in the securities of the subject companies described in our research reports. The US Broker-Dealer is the distributor of this research report in the United States under Rule 15a-6 of the Exchange Act and accepts responsibility for its content. Global Markets Research and the US Broker-Dealer are affiliates under common control. Computation of 1% beneficial ownership is based upon the methodology used to compute ownership under Section 13(d) of the Exchange Act. The securities discussed in this research report may not be eligible for sale in all States or countries, and such securities may not be suitable for all types of investors. Offers and sales of securities discussed in this research report, and the distribution of this report, may be made only in States and countries where such securities are exempt from registration or qualification or have been so registered or qualified for offer and sale, and in accordance with applicable broker-dealer and agent/salesman registration or licensing requirements. The preparer of this research report is employed by Global Markets Research and is not registered or qualified as a research analyst, representative, or associated person under the rules of FINRA, the New York Stock Exchange, Inc., any other U.S. self-regulatory organization, or the laws, rules or regulations of any State.

European Investors: This report is published, approved and distributed in the UK by the Bank and by CBA Europe Ltd ("CBAE"). The Bank and CBAE are both registered in England (No. BR250 and 05687023 respectively) and authorised and regulated in the UK by the Financial Services Authority ("FSA"). This report does not purport to be a complete statement or summary. For the purpose of the FSA rules, this report and related services are not intended for retail customers and are not available to them. The products and services referred to in this report may put your capital at risk. Investments, persons, matters and services referred to in this report may not be regulated by the FSA. CBAE can clarify where FSA regulations apply.

Singapore Investors: This report is distributed in Singapore by Commonwealth Bank of Australia, Singapore Branch (company number F03137W) and is made available only for persons who are Accredited Investors as defined in the Singapore Securities and Futures Act and the Financial Advisers Act. It has not been prepared for, and must not be distributed to or replicated in any form, to anyone who is not an Accredited Investor.

Hong Kong Investors: This report was prepared, approved and published by the Bank, and distributed in Hong Kong by the Bank's Hong Kong Branch. The Hong Kong Branch is a registered institution with the Hong Kong Monetary Authority to carry out the Type 1 (Dealing in securities) and Type 4 (Advising on securities) regulated activities under the Securities and Futures Ordinance. Investors should understand the risks in investments and that prices do go up as well as down, and in some cases may even become worthless. Research report on collective investment schemes which have not been authorized by the Securities and Futures Commission is not directed to, or intended for distribution in Hong Kong.

All investors: Analyst Certification and Disclaimer: Each research analyst, primarily responsible for the content of this research report, in whole or in part, certifies that with respect to each security or issuer that the analyst covered in this report: (1) all of the views expressed accurately reflect his or her personal views about those securities or issuers; and (2) no part of his or her compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed by that research analyst in the report. The analyst(s) responsible for the preparation of this report may interact with trading desk personnel, sales personnel and other constituencies for the purpose of gathering, synthesizing, and interpreting market information. Directors or employees of the Group may serve or may have served as officers or directors of the subject company of this report. The compensation of analysts who prepared this report is determined exclusively by research management and senior management (not including investment banking). No inducement has been or will be received by the Group from the subject of this report or its associates to undertake the research or make the recommendations. The research staff responsible for this report receive a salary and a bonus that is dependent on a number of factors including their performance and the overall financial performance of the Group, including its profits derived from investment banking, sales and trading revenue.

Unless agreed separately, we do not charge any fees for any information provided in this presentation. You may be charged fees in relation to the financial products or other services the Bank provides, these are set out in the relevant Financial Services Guide (FSG) and relevant Product Disclosure Statements (PDS). Our employees receive a salary and do not receive any commissions or fees. However, they may be eligible for a bonus payment from us based on a number of factors relating to their overall performance during the year. These factors include the level of revenue they generate, meeting client service standards and reaching individual sales portfolio targets. Our employees may also receive benefits such as tickets to sporting and cultural events, corporate promotional merchandise and other similar benefits. If you have a complaint, the Bank's dispute resolution process can be accessed on 132221.
