

Fees we charge for consumer mortgage lending products.

Effective July 2025

When we may charge fees

The Commonwealth Bank charges fees for administering your account and providing banking services.

Generally, we may charge fees:

- When you settle the loan
- During the loan term
- If you break a fixed or guaranteed rate loan
- When you fully pay off the loan.

The fees we charge may vary depending on the product you choose or the type of service you request.

How to save on fees

A home loan Package (Wealth Package or Mortgage Advantage) can help you save money by having access to fee waivers and interest rate discounts on your eligible home loan(s) and fee waiver on an eligible active credit card in exchange for an annual fee. Please refer to our website for full details, available at commbank.com.au/home-loans/wealth-package.html.

How we collect fees

Fees will be debited to your loan or related account when we process your request or transaction.

Government charges

Government fees (e.g. stamp duty, transfer, and mortgage registration fees) apply and vary by State or Territory.

Norfolk Island also has specific charges such as Stamp Duty (payable on cheques issued in Norfolk Island) and Goods and Services Tax (on certain service fees the Bank provides). The Bank collects the Goods and Services Tax from you and passes this on to the Government.

Note: Government fees are not bank fees. The Bank collects these charges on behalf of the Government. Please contact the relevant State Government Department to find out how much you will be charged.

Changes to fees

When we change fees, we will notify you of any changes by advertising in a leading daily newspaper in each State or Territory, or in writing to you, no later than the day on which the variation takes effect, or as required under your Loan Contract.
