Dear Sir

Commonwealth Bank of Australia 2009 Full Year Results Analyst Presentation Pack

It has come to our attention that the Group's full year results presentation pack issued to the ASX on Wednesday 12 August contained an incorrect number in the top left chart of slide 48.

The New Impaired Assets figure for June 2009 should read 51 bpts, rather than the 35 bpts shown.

An updated slide pack is available on the Group's website
www.commbank.com.au/shareholder > Financial information > Results

Yours faithfully

John Hatton
