

This planning worksheet is to assist you in gathering the information required for completing the CommBiz online application form to register for your CommBiz service. **DO NOT** send this worksheet to the Bank.

How to use the worksheet. The worksheet is divided into the main sections of the application form. Note down your details in the information boxes and add more boxes or space as you require for your information. Once you are ready to start the online application form, follow the on-screen instructions and type in the information which you have prepared in this worksheet. Note that the online application form has a different appearance and layout to this worksheet.

NOTE:

When registering for CommBiz, you are registering for a service and you may register any number of organisations under this service.

Before starting your CommBiz online application

You will need to read the CommBiz Product Information and Terms and Conditions and acknowledge you have read this document by ticking the 'Terms and Condition' checkbox. You will not be able to continue with your application until you have done so.

You will need to create a 'Registration Account' (with a unique username and password), which enables you to save your application and come back to complete it at your convenience. This is not a bank account. Your CommBiz 'Registration Account' will last for 60 days from the date it was first created.

Step 1:	Service Details
