## PLEASE READ

It is important that *you* take the time to read and understand the *Contract*, including these *Terms and Conditions*.

## WE'RE HERE TO HELP

If *you're* not completely sure *you* understand all the terms and conditions in this document, we recommend *you* get legal or financial advice. *You* can also talk to *your* relationship manager, business banker or broker, or call *us* on 13 1998.

If *you* are experiencing financial difficulty making payments under a loan, then *you*, or *your* representative, should contact *us* as soon as possible. We can then discuss *your* situation and the options available to help *you*. The sooner *you* contact *us*, the sooner we can try to help.

## BANKING CODE OF PRACTICE

The Code of Banking Practice applies to *your Facility* if *you* are an individual or a 'small business customer' as defined in the Code of Banking Practice.

## 1 YOUR CONTRACT WITH US

### 1.1 The Contract

1.1.1 When we offer to provide *you* with *your Facility*, the contract between *you* and *us* is made up of:

- (a) this document;
- (b) the *Offer Document*; and
- (c) any other documents specified in the *Offer Document*.

1.1.2 If there are inconsistencies, the *Offer Document* (including any contractual documents referred to within it) prevails over this document.

1.1.3 Except to the extent stated in these documents, other services we provide, such as payment services or other transaction accounts or services, or access to *your Facility* using one of *our* electronic banking platforms, are governed by separate terms, not this *Contract*.

### 1.2 Declarations you make

Each time *you* sign an *Offer Document* or use a *Facility*, *you* declare that:

1.2.1 (General declarations):

- (a) the name of each individual given to *us* is correct;
- (b) a *Security Provider* who gives *us Security* is the sole owner of the *Security Property*, or *you* have told *us* of any joint owners;
- (c) the *Security Property* is not, and will not become, subject to any kind of competing *Security Interest* or obligation without *our* prior written consent;
- (d) *you* are not in default on any other credit agreement and nothing has happened which may put *you* in default in the future;
- (e) *you're* not breaching any laws or obligations to anyone else by signing the *Contract*;
- (f) none of the information *you* have given *us* is incorrect, incomplete or misleading; and

1.2.2 (for each Borrower that is a company):

- (a) the company is financially sound and not under threat of liquidation;
- (b) there are no current, pending or threatened proceedings against the company that could have a *Material Adverse Effect*, including legal actions, arbitration or administration proceedings;
- (c) the *Contract* and each transaction contemplated under it either:
  - (i) benefits the company and does not create any conflict of interest, or
  - (ii) has been approved by a resolution, duly passed by the shareholders of the company; and

1.2.3 (for each Borrower that is a trustee):

- (a) any other trustees of the trust are *Borrowers* under the *Contract*;
- (b) *you* have the power under the trust deed and

all the necessary authorisations to enter into the *Contract* and observe *your* obligations under it;

- (c) *you* have a right to be fully indemnified for all *your* obligations under the *Contract* out of the property *you* hold on trust;
- (d) the trust is validly constituted and has not been terminated;
- (e) either:
  - (i) there is no conflict of interest affecting *you* as trustee, *your Related Parties* or *your* directors preventing *you* entering into or performing *your* obligations under the *Contract*; or
  - (ii) the trust deed permits *you* to enter into and perform *your* obligations under the *Contract* despite any conflict of interest that may affect *your Related Parties* or *your* directors;
- (f) the *Fund* is sufficient to satisfy *your* right of indemnity;
- (g) *you* are not in default under the trust deed and no action has been taken or proposed to terminate the trust;
- (h) *you* have complied with *your* trustee obligations, and *your* directors and officers have complied with their obligations;
- (i) *you* have taken every necessary action to be authorised to execute the *Facility* and perform *your* obligations under the *Contract*;
- (j) executing the *Contract* is not a breach of trust on *your* part; and
- (k) our rights under the *Contract* have priority over the interest of the beneficiaries of the trust.

### 1.3 Laws that apply to this Contract

The *Contract* is governed by the laws in the State or Territory of *your* address in the *Offer Document*.

### 1.4 Counterparts

An *Offer Document* may be executed in any number of counterparts, all of which are taken together to constitute one and the same instrument.

### 1.5 Our power of attorney

1.5.1 *You* irrevocably appoint each of *our* employees separately as *your* attorney to:

- (a) change an incomplete or inaccurate *Offer Document*, as long as the change is consistent with the information or instructions *you* have provided;
- (b) do anything required to make the *Contract* complete and enforceable; and
- (c) endorse any negotiable instrument.

1.5.2 *You* indemnify *us* against all costs and losses resulting from this power of attorney, except to the extent they are caused by *our* negligence, wilful misconduct or fraud.

## 2 SETTING UP AND USING YOUR FACILITY

### 2.1 Purpose

You can only borrow for the purpose set out in the *Offer Document*, and only use your *Loan* to:

- (a) pay the purchase price of the *Security Property* at settlement and, if we previously agreed, pay for repairs and maintenance when you buy it in accordance with section 67A of the Superannuation Industry (Supervision) Act 1993 (Cth);
- (b) refinance a loan that complies with section 67A of the Superannuation Industry (Supervision) Act 1993 (Cth) and was used to buy the *Security Property*; or
- (c) refinance a loan that was used to buy the *Security Property* in order to ensure compliance with the Superannuation Industry (Supervision) Act 1993 (Cth).

### 2.2 Cancelling your Facility before it is funded

We can withdraw our offer or cancel a *Facility* at any time before you use it if:

- (a) you don't use it within three months of signing the *Offer Document* (see **clause 2.4**);
- (b) your financial circumstances change and we reasonably believe you will not be able to meet your obligations under the *Contract*; or
- (c) the terms of a *Fixed Rate Period* have been agreed but the *Facility* is not funded on the expected funding date.

### 2.3 Single drawdown

- (a) You must draw down the entire *Loan* amount in a single lump sum within three months of the date of the *Offer Document*. After that, your *Limit* is reduced to the current *Loan* amount. If you don't draw funds within the agreed time, we may cancel the undrawn *Facility*.
- (b) Redraw is not available with SuperGear.

## 3 COSTS AND PAYMENTS

### 3.1 What you must pay

#### 3.1.1 Principal

- (a) Your principal is the total amount we have advanced to you under your *Facility*.
- (b) You must repay the principal advanced under your *Facility*:
  - (i) as set out in **clause 3.2** and your *Offer Document*, and
  - (ii) in full by the final repayment date of the *Facility*, together with any other amounts still owing.
- (c) We will not require you to repay the *Residual Balance* until the end of the *Term* unless you are in *Default*. We are under no obligation to refinance your *Residual Balance*.

#### 3.1.2 Interest

- (a) You must pay interest
  - (i) For each day there is an *Outstanding Balance*, you're liable for interest on it. The day's interest rate will be the *Interest Rate* divided by 365 (even in a leap year), and it will be applied to the *Outstanding Balance* at the end of the day.
  - (ii) After we have processed transactions to the *Loan Account*, we will calculate interest on the last calendar day of each month (or on any other agreed interest charging cycle). We will then charge interest the next day by debiting it against your *Loan Account* (as part of the *Outstanding Balance*).

- (b) *Your Interest Rate*
  - (i) *Your Interest Rates* are set out in your *Offer Document* and *Account Confirmation Document*.
  - (ii) If your interest charging cycle is not monthly, your *Interest Rate* may also include a premium, set out in your *Offer Document* or *Account Confirmation Document*.

3.1.3 Fixed rate loans

- (a) Your *Offer Document* may set out an indicative fixed *Interest Rate*. The actual fixed *Interest Rate* will be set on the day your *Loan* is funded and set out in an *Account Confirmation Document*, together with the first repayment due date, repayment frequency and the *Fixed Rate Period*.
- (b) When a *Fixed Rate Period* ends, the *Interest Rate* will revert to the relevant variable CBA reference rate applicable to SuperGear Loans, unless you and we have agreed the terms of a new *Fixed Rate Period* or variable rate in a new *Offer Document*.

3.1.4 Default Interest

- (a) You must pay us *Default Interest* on any amount, including interest, which you fail to pay on the due date or which exceeds your *Limit*.
- (b) This does not affect your obligation to make all payments on time.
- (c) We charge *Default Interest*:
  - (i) at our monthly Excess drawing interest rate: see [commbank.com.au/business/rates-fees.html](http://commbank.com.au/business/rates-fees.html),
  - (ii) daily on the overdue or overdrawn amount from the due date or the date it became overdrawn until the overdue or overdrawn amount is paid.
- (d) You must pay any outstanding *Default Interest* on the day you pay out the *Facility*.

3.1.5 Fees

- (a) You must pay fees as set out in these *Terms and Conditions* and your *Offer Document* as changed from time to time under **clause 4**.
- (b) For a fee expressed as a per annum percentage, we calculate the daily rate by dividing the percentage by 365 (even in a leap year), unless otherwise specified.

3.1.6 Establishment and management costs

- (a) You must reimburse us for costs we incur establishing or managing your *Facility*, including government duties, fees, taxes and legal costs.
- (b) If we can apply for a refund or credit for costs paid by you, we'll apply for it and pay you whatever part of it is owed to you.

**3.2 When you must pay**

- 3.2.1 Scheduled repayments
  - (a) Your *Offer Document* or *Account Confirmation Document* sets out your repayment details, including the times you must make repayments.
  - (b) Your scheduled repayments will include a portion of your principal, unless your *Facility* has an interest-only period.
  - (c) If a repayment is due on the 29th, 30th or 31st day of the month, but a month does not have that date, it will be due on the last day of that month.

3.2.2 When you must pay the Outstanding Balance

- (a) You must pay the *Outstanding Balance* and any other amounts payable by you under this Contract by the end of the *Term*, unless we have given you written notice stating otherwise.
- (b) Until the *Outstanding Balance* is paid, interest will continue to accrue on it (although the rate may change in accordance with these *Terms and Conditions*), and you must continue to make interest and fee payments at the same frequency.
- (c) We may, but are not required to, change scheduled repayments in line with interest rate changes. If we don't change the scheduled repayments, this may result in a larger than expected *Outstanding Balance* which has to be repaid when the *Facility* ends.

**3.3 Pre-payment and Early Repayment Adjustment**

3.3.1 Fixed Rate Loans

***Pre-paying or changing fixed rate Loans***

- (a) If you have a fixed rate *Loan*, we may allow you to:
  - (i) repay all or part of the *Loan* during the *Fixed Rate Period*;
  - (ii) change the *Fixed Rate Period*, repayment amounts, repayment frequency, interest rate or repayment type; or
  - (iii) switch to a variable *Interest Rate*.
- (b) We treat each such change as a *Pre-payment* in respect of the *Outstanding Balance* which is the subject of the change.
- (c) Usually, we do not allow any *Pre-payment* less than \$25,000.

***Early Repayment Adjustment***

- (d) You must pay an *Early Repayment Adjustment* and the Administration Fee on the *Pre-payment* date.
- (e) This is because fixed interest rate loans are provided on the understanding that only the scheduled repayments will be made over the *Fixed Rate Period*. While we may let you make a *Pre-payment* for all or part of the *Outstanding Balance*, you will be liable to pay the *Early Repayment Adjustment*.

**Warning:** If the wholesale market swap rate falls, the *Early Repayment Adjustment* can be high. You can ask us for an estimate of an *Early Repayment Adjustment* at any time.

- (f) If you ask us, we'll give you a statement setting out how we estimated the *Early Repayment Adjustment* as a result of the *Pre-payment*, including the formula.
- (g) We may also charge you an *Early Repayment Adjustment* and *Administration Fee* if a fixed rate *Loan* becomes repayable early because of your *Default*.

### 3.3.2 Variable rate Loans

You can fully or partially repay a variable rate *Loan* at any time by giving us two days' notice.

## 3.4 How you pay

### 3.4.1 Authorisation

You authorise us to debit your *Loan Account* or your *Nominated Account* for any fees, interest, repayments, establishment and management costs, or other amounts owing under this *Contract*.

### 3.4.2 Direct Debit – Nominated Account

- (a) At all times you must maintain an approved *Nominated Account* with sufficient funds and an up-to-date direct debit authority for each *Facility*.
- (b) Usually, the *Nominated Account* must be a transactional account with us that is in your name.
- (c) At our discretion, we may allow you to choose a *Nominated Account* in the name of a third party or with another financial institution.
- (d) You must make sure that any *Nominated Account* has enough money to meet your payment obligations from time to time.

### 3.4.3 What happens if a payment is dishonoured

- (a) If a payment is dishonoured, it will be treated as if it has not been made. This may mean you default on your obligations, your *Nominated Account* may become overdrawn and you may incur associated fees.
- (b) We may try to collect the payment again on a later date by the same method.

### 3.4.4 We can open a payment account

If a payment is not made on time under the *Contract*, you authorise us to:

- (a) Debit the credit balance of any other account you have with us to wholly or partly repay the outstanding amount; or

- (b) Open a payment account in your name against which we may debit any outstanding amount you owe us under the *Facility*, including *Default Interest* on the outstanding amount.

## 3.5 How we apply your payments

If you have more than one *Facility* and pay more or less than the required amounts on any of them, we can decide how to apply any payment you make to your *Facilities*, unless you advise us how you want it applied.

## 3.6 If you cancel the Facility before funding

If you end the *Contract* before we provide the *Facility*, we can ask you to pay the accrued fees and charges under the *Contract* and keep fees and charges you have already paid.

## 4 CHANGES TO YOUR FACILITY

### 4.1 Changes you and we agree

- (a) Your *Contract* can only be changed in writing signed by you and us, except as set out in these *Terms and Conditions*.
- (b) If you ask for a change to the *Facility* and we agree, we'll send you a new *Offer Document*, an *Account Confirmation Document* or both. We may ask you to sign the documents to confirm the changes.

### Changes we can make without your agreement

- (a) The types of changes we can make to the *Contract* without your agreement are listed in **the table** below with the minimum notice period and the way we'll let you know of the changes.
- (b) Each of the type of changes below is a separate right and this **clause 4.2** is to be read as if each change was a separately expressed right.
- (c) If you don't like any of the changes, you can cancel the *Contract* by repaying the *Facility*. You may have to pay fees and charges, such as an *Early Repayment Adjustment* and an *Administrative Fee*.
- (d) No notice of change is required if a particular change has already been agreed in the *Contract* (for example, the expiry of special pricing on a certain date).
- (e) We can't change a *Fixed Rate* during the *Fixed Rate Period*. However, unless otherwise agreed, *Fixed Rates* described in an *Offer Document* are indicative only until the *Fixed Rate Period* and we do not have to notify you of the final *Fixed Rate* before the *Fixed Rate Period* begins.

- (a) give us a copy of the trust deed and any other documents setting out the terms of the trust when we ask or when they change;
