

# Commonwealth Bank's Change on Card Spend.

CBA credit and debit card spending over the week ending 8 January 2021 is compared to the results from a year earlier. The following information has been developed by the Global Economic & Markets Research team.

CBA household credit and debit card spending growth was 13%/yr for the week ending 8 Jan 2021.

- The COVID-19 outbreak and restrictions in Greater Sydney over the holiday break have impacted on spending momentum.
- Services spending has been negatively impacted while goods spending has lifted.
- We approach the 2021 economic outlook with a positive, but cautious tone due to the recent outbreaks, restrictions and border closures.
- Spending remains solid at this stage, boosted by strong income growth and accrued savings.
