

Home loans that recognise the value of healthcare professionals*.

Whether you are starting your healthcare career or expanding your operations CommBank Health appreciates the vital role all healthcare professionals play in delivering care to Australians. We understand that's where your time is best spent.

That's why at CommBank Health, we have developed a tailored personal and business banking solution for healthcare professionals. From home loans to equipment finance and seamless payments and claiming, our CommBank Health solutions can support you at every stage of your professional journey.

Home buying for healthcare professionals

As part of these connected financial solutions, we have our home loan offer for healthcare professionals to make it easier for those looking to buy a home or investment property.

Our CommBank Health home lending team understands that healthcare professionals have a unique career journey and operate in a valuable, high-growth industry. This requires a specialised approach to catering for their home lending needs.

"The needs of healthcare professionals are unique, and our solution is designed specifically to help them buy a home or grow their property portfolio."

Albert Naffah, CEO of CommBank Health
