

Master Agreement – Variation to Current Terms and Conditions for Asset Finance

We refer to the Master Agreement between
and Commonwealth Bank of Australia (the Bank).

The Bank has recently made the following changes to its Current Terms and Conditions for Asset Finance:

- Updating of existing terms and conditions in accordance with Unfair Contract Terms (UCT) legislation.
- The key changes are updating the definitions of small business, amending events of default to include materiality and modifying the indemnity clause to reduce your liability to the extent of our negligence, fraud or wilful misconduct.

Effective from 9 November 2023, all Schedules funded under the Master Agreement dated
will now refer to and be subject to the revised Current Terms and Conditions which are provided to you with
this document.

As Authorised Officers, by executing and returning this letter, you consent to these changes and acknowledge you
have received a copy of the revised Current Terms and Conditions.
