Credit Card Insurances

Product Disclosure Statement and Information Booklet

Effective 15 January 2020
## Welcome

This is an important document.

You should read it carefully before making a decision in relation to the credit card insurances explained in it.

It will help you decide whether the insurance will meet your needs and you can use it to compare with other options you may be considering.

Any recommendation or opinion in this document is of a general nature only. It does not take into account your objectives, financial situation or needs. You need to decide if the insurance is right for you.

This booklet contains important information about the insurer, Zurich Australian Insurance Limited (ZAIL), ABN 13 000 296 640, AFS Licence Number 232507 (referred to as “we, our and us” in relation to the insurance), its agent Cover-More Insurance Services Pty Ltd ABN 95 003 114 145, AFSL 241713 (Cover-More) as well as the Commonwealth Bank and other relevant persons.

The Commonwealth Bank is not the insurer of the insurance referred to in this booklet. It and any of its related corporations do not guarantee, and are not liable to pay, any of the benefits under these covers.

## Things you need to understand

- The **Included Cover** is available to **cardholders**, who meet the specified eligibility criteria for the covers, under a **Group Policy** entered into by the Commonwealth Bank with **us**, not with **you**. See pages 82-83 for details of this arrangement.
- The **Overseas Travel Policy** and **Upgrades** is a contract of insurance between **us** and **you**.
- Terms, conditions, limits and sub-limits apply – that is why it is important **you** read this booklet carefully.
- Exclusions apply to restrict, limit and/or exclude cover. Read the **General exclusions** on pages 30-35 and the exclusions under each benefit section carefully to see what **we** don’t cover.
- Cover is only provided during the **period of cover** – which differs for each type of cover.
- Certain words have special meanings and are shown in bold. See Words with special meaning, pages 23-30.

For example **you**, **your** or **yourself** means any of the following if they are eligible for the cover:
- The **cardholder**
- The **cardholder’s family**.

Helpful tips

Safety of your belongings

- Keep **valuables** with **you** rather than checking them in with the **transport provider** as they are not covered by **us** when checked-in.
- Do not leave **valuables** in a motor vehicle at any time.
- A maximum limit of $2,500 applies to all other items left in a locked motor vehicle as long as they are in a **concealed storage compartment**. Also, do not leave items in a motor vehicle overnight, as they are not covered.
- Do not leave **your** belongings unattended in a **public place**. Unattended belongings are not covered by **us**.
- Remember to check for **your** items. **We** do not cover items left behind in any accommodation after **you** have checked out, left behind in any aircraft, ship, train, tram, taxi or bus, or left behind, forgotten, misplaced or walked away from in a **public place**.

Cruising in Australian waters

Cover is included under **Overseas Medical, Benefit 2: Overseas Emergency Medical and Hospital Expenses** if **you** are travelling on a **domestic cruise** in **Australian** waters and the **cardholder** has activated their **Overseas Travel Policy**. For a **domestic cruise**, not part of an international **journey**, please choose ‘Pacific’ as your **destination** during activation.

Reciprocal Healthcare Agreement

The Australian Government and the governments of certain countries have an agreement where Australian residents are provided with subsidised essential medical treatment (which, in turn, minimises your claim with **us**). The agreement is known as a Reciprocal Healthcare Agreement (RHA). Please visit humanservices.gov.au/medicare or dfat.gov.au for details of RHAs with Australia.

Important Information

Who issues and insures these products?

**Cover-More**

These products are issued by Cover-More on behalf of the insurer. Cover-More administers the products (including customer service, medical assessments and claims management) and arranges the issue of the insurance to:

- the **Commonwealth Bank** who then provides the **cardholder** with the **Included Cover** under the **Group Policy**, or
- **you** directly for an **Overseas Travel Policy** and **Upgrade**.

**Zurich Australian Insurance Limited**

ZAIL is the insurer and is part of the Zurich Insurance Group, a leading multi-line insurer that serves its customers in global and local markets. Zurich provides a wide range of general insurance and life insurance products and services in more than 210 countries and territories. Zurich’s customers include individuals, small businesses, and mid-sized and large companies, including multinational corporations. ZAIL’s contact details are:

Zurich Australian Insurance Limited
PO Box 677, North Sydney NSW 2059

Duty of Disclosure

Before **you** enter into an **Overseas Travel Policy** or **Upgrade** with **us**, **you** have a Duty of Disclosure under the **Insurance Contracts Act 1984**.

The duty applies until (as applicable) **we** first enter into the policy with **you**, or **we** agree to a variation, extension or reinstatement with **you**.

**Answering our questions**

In all cases, **we** ask **you** questions that are relevant to **our** decision to insure **you**, and on what terms. So, please tell **us** anything **you** know and that a reasonable person in the circumstances would include in their answer.

It is important to understand **you** are answering **our** questions in this way for **yourself** and anyone else that **you** want covered by the contract.

**Variations, extensions and reinstatements**

For variations, extensions and reinstatements **you** must tell **us** anything **you** know, or could reasonably be expected to know, which may affect **our** decision to insure **you** and on what terms.
What happens if you do not tell us something?

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Policy conditions

1. Excess – what you contribute to your claim

The excess is the first amount of a claim that we will not pay for. It is your contribution to your claim if it is approved by us. The excess applies per event.

For Overseas Medical, the excess amount and benefits that the excess applies to are shown in the benefits tables pages 6-7.

For an Overseas Travel Policy, and for any Upgrade, the benefits that the excess applies to are shown in the benefits tables pages 8-11. The excess amount will be shown on your Certificate of Insurance.

Claim example: If you made a claim for $2,500 under Benefit 2: Overseas Emergency Medical and Hospital Expenses, you did not activate an Overseas Travel Policy, you already paid the expenses and we approve your claim; we would deduct the $500 excess from the claim before we paid you. If, via our emergency assistance team, we approved a claim directly with an overseas medical provider, we will ask you to pay the $500 excess directly to the provider at the time or request you to pay it to us before we can finalise your claim with the provider. In any event, the total claim we pay is $2,000.

For Other Insurances – the amount and covers that an excess applies to are:

- Purchase Security – you must pay the first $100 for each claim
- Extended Warranty – you must pay the first $100 for each claim, and
- Interstate Flight Inconvenience – you must pay the first $250 for each claim made under Benefits 2 and 5.

In some circumstances where you have an Upgrade, we may impose an extra or increased excess for claims arising from existing medical conditions. We will inform you in writing if this applies: These will be set out in your Certificate of Insurance or in a letter from our medical assessment team.

2. Claims

- You must report the theft, wilful damage or accidental loss of your business items/property/personal goods/valuables to the police and (where applicable) the responsible transport provider within 24 hours. A written report must be made at that time and a copy of the report obtained.

- You must not make any offer, promise of payment, or admit any liability without our written consent.

- If you are admitted to hospital or you think your medical expenses and additional expenses are likely to exceed $2,000 you or someone on your behalf must call the emergency assistance number as soon as physically possible.

- You must take all reasonable steps to prevent or minimise a claim. This includes taking adequate and reasonable precautions to protect your business items/property/personal goods.

- You must advise us of any claim, or occurrence that may give rise to a claim, as soon as possible and within 60 days of the event or of returning home whichever is the latest.

- For Price Guarantee claims, you must advise us and claim within 30 days of purchase of the item that is the subject of the claim.

- If there is a delay in claim notification, or you do not provide sufficient detail for us to consider your claim, we can reduce any claim payable by the amount of prejudice we have suffered because of the delay.

- You must, at your own expense, supply any documents in support of your claim that we may request. This can include proof of your residential status and age, proof you are eligible for insurance cover (e.g. your eligible credit card account statement and credit card receipt to confirm your eligibility for the insurance), an original police report, a Property Irregularity Report (PIR), travel documents, receipts, valuations, a repair quote, a death certificate and/or medical certificate. If required we may ask you to translate into English any documents to enable us to assess your claim.

- For claims relating to a mobile phone or device with phone capabilities you must supply us with the IMEI (International Mobile Equipment Identity). You must block the IMEI number (by Australian telecommunication providers) of the stolen or lost mobile phone or device.

- You must co-operate fully in the assessment or investigation of your claim.

- Please take this booklet and any current Certificate of Insurance you hold with you when you travel (or make sure you can access them electronically). You must also take documents needed to verify your eligibility for this cover, such as copies of your eligible credit card account statement or credit card receipt and/or a copy of the letter/statement/email confirming the redemption of your Commonwealth Awards points through the Commonwealth Awards Program in full or part payment for your return overseas travel ticket(s).
If you want to make a claim under the covers provided in Overseas Medical while overseas, you acknowledge and agree it will be necessary for the Commonwealth Bank or its agents to confirm to us or our agents that you are eligible for the cover as previously outlined. Without this information, a claim may be delayed and it may not be possible for us or our agents to give approval for overseas medical attention. Where, at our discretion, we honour a claim on the basis that you will, at a later date, provide proof to substantiate the claim and you are later unable to do so, you will be liable for any loss we have incurred on your behalf.

- When making a claim, you are responsible for assisting us and acting in an honest and truthful manner. If you, or anyone acting on your behalf, use fraudulent, false or exaggerated means to make a claim under this policy, we may not pay the claim in whole or in part. You acknowledge and agree that we may inform the Commonwealth Bank of the situation and you may no longer be eligible for any (or all) of the covers in this booklet or your credit card facility. We may also report you to the appropriate authorities and you may be prosecuted.

- If we agreed to pay a claim under your policy we will base any claim payment on the Goods and Services Tax (GST) inclusive costs (up to the relevant limits of liability). If you are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if you were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount we would otherwise pay will be reduced by the amount of that input tax credit.

- If you are entitled to claim an input tax credit in respect of your premium, you must inform us of the amount of that input tax credit (as a percentage) at the time you first make a claim. If you fail to do so, you may have a liability for GST if we pay you an amount in respect of any of the covers provided.

3. Claims are payable in Australian dollars

All claims and amounts payable are paid in Australian dollars at the rate of exchange applicable at the time the expenses were incurred. We will pay you unless you tell us to pay someone else, except in the case of your death in which case we will pay your estate. Payment will be made by direct credit to an Australian bank account nominated by you unless otherwise agreed by us.

4. If you can claim from anyone else, we will only make up the difference

In the case that policy condition 6. Other insurance (following) does not apply, if you can make a claim against someone in relation to a loss or expense in respect of any of the covers provided and they do not pay you the full amount of your claim, we will make up the difference. You must claim from them first.

5. You must help us to make any recoveries

We have the right to recover, from any other party in your name, money payable under the policy or to choose to defend any action brought against you. You must provide reasonable assistance to us.

We will apply any money we recover from someone else under a right of subrogation in the following order:

1. To us, our costs (administration and legal) arising from the recovery
2. To us, an amount equal to the amount that we paid to you in respect of any of the covers provided
3. To you, your uninsured loss (less your excess)
4. To you, your excess.

Once we pay your total loss, we will keep all money left over. If we have paid your total loss and you receive a payment from someone else for that loss or damage, you must pay us the amount of that payment up to the amount of the claim we paid you.

If we pay you for lost or damaged property and you later recover the property or it is replaced by a third party, you must pay us the amount of the claim we paid you.

6. Other insurance

If you are insured, or entitled to receive a benefit or make a claim, under any other insurance policy in respect of the same loss as your claim under our covers, then:

- you must give us full details of the other insurance policy,
- to the extent permitted by law, we will not be liable to provide indemnity until the indemnity amount under any other policy is exhausted, or
- we may seek, from the other insurer, contribution for any amounts we have paid.

7. Subrogation

We may, at our discretion, undertake in your name and on your behalf, control and settlement of proceedings for our own benefit to recover compensation or secure indemnity from any party in respect of any of the covers provided.

You are to assist us and give us permission to do everything required to recover compensation or secure indemnity from other parties, to which we may become entitled or subrogated, upon us accepting your claim in respect of any of the covers provided. This is regardless of whether we have yet paid your claim, whether or not the amount we pay you is less than full compensation for your loss or whether your claim is paid under a non-indemnity or an indemnity clause.
8. Policy interpretation
All insurance covers will be interpreted in accordance with the law of New South Wales, Australia.

9. Emergency assistance
Where your claim is excluded or falls outside the coverage provided, the giving of emergency assistance will not in itself be an admission of liability.

Medical standards, sanitary conditions, reliability of telephone systems and facilities for urgent medical evacuations differ from country to country. Responsibility for any loss, medical complication or death resulting from any factor reasonably beyond our control cannot be accepted by our emergency assistance, the Commonwealth Bank, Cover-More or us.

10. Sanctions
Notwithstanding any other terms, we shall not be deemed to provide cover or make any payments or provide any service or benefit to any person or other party to the extent that such cover, payment, service, benefit and/or any business or activity of the person would violate any applicable trade or economic sanctions law or regulation.

11. Maximum period of cover – extending your journey
You are only covered for incidents that occur in the period of cover.

If you find that your return to Australia has been delayed because of one or more of the following reasons, and you return home as soon as possible, your period of cover may be automatically extended at no extra cost:

- Your scheduled transport back to Australia is delayed for reasons beyond your control
- The delay is due to an event for which you can claim

If, for any other reason, other than as stated above, your overseas travel is for a period longer than the period of cover, you will not be covered after the end of that period of cover unless the cardholder has successfully applied for an Upgrade.

The cardholder will need to activate an Overseas Travel Policy and then apply for the Extension of period of cover Upgrade. See page 58 for details. For each journey you can only activate one Overseas Travel Policy.

12. Special conditions and restrictions that apply for people aged 80 or over
The following benefits are not available to people who are aged 80 or over at the time they commence their journey or at the time of activation of an Overseas Travel Policy:

- Benefit 2: Overseas Emergency Medical and Hospital Expenses
- Benefit 4: Overseas Funeral or Cremation, or Body Repatriation
- Benefit 5: Cancellation Costs (where the cause of the claim is the death, injury, sickness or disease of a cardholder or spouse)

However, the cardholder may be able to include cover under the above benefits (including for their spouse, if applicable) by activating an Overseas Travel Policy and then applying for the Overseas Medical and related covers for people aged 80 or over Upgrade.

If we accept the application for the Overseas Medical and related covers for people aged 80 or over Upgrade, the cardholder will need to pay us an extra premium. See page 56 for details.

13. Existing medical conditions for persons aged 79 years and under
Cover is not provided for existing medical conditions, except for those automatically accepted as described on pages 19-21, or where you have purchased the Existing medical conditions Upgrade.

If you have an existing medical condition that is not covered, we will not pay any claims directly or indirectly arising from, or exacerbated by, that condition. This means that you will have to pay for any overseas medical emergency and any associated costs, which can be prohibitive in some countries.

Cover applies for a maximum of 12 months from the date of onset of suffering the disabling injury, sickness or disease. However, if we determine, on medical advice, that you should return home for treatment and you do not agree to do so, we will restrict cover to no more than an amount that we reasonably consider to be equivalent to your medical expenses and/or related costs incurred overseas to the date we advise you to return to Australia, plus the amount it would cost us to return you to Australia. Other Insurances

Included at no extra cost upon spend.

A range of protections are included, such as insurance for Interstate Flight Inconvenience, Transit Accident, Price Guarantee, Purchase Security and Extended Warranty.

Insurance will apply for purchases made using your eligible credit card. E.g. For Extended Warranty the entire cost of the personal goods item must be charged to the eligible credit card account. Interstate Flight Inconvenience, Transit Accident and Price Guarantee do not apply to Gold cards.

These insurance covers are subject to the conditions, exclusions, limits, sub-limits and terms following and must be read in conjunction with Important Information. You must also check General exclusions, pages 30-35, for other reasons why we will not pay.

Interstate Flight Inconvenience

Interstate Flight Inconvenience is a cover available to Commonwealth Bank personal Platinum, business Platinum, personal Diamond and personal Ultimate Awards cardholders, subject to the following terms and conditions and the details in Important Information. It is not available to Norfolk Island Residents.

It covers the cardholder during interstate travel, provided the cardholder charges the entire cost of their return interstate flight to their eligible credit card account.

This cover extends to the personal Platinum, personal Diamond or personal Ultimate Awards cardholder’s family, provided they are travelling with the personal Platinum, personal Diamond or personal Ultimate Awards cardholder and the entire cost of their return interstate flights were also charged to the personal Platinum, personal Diamond or personal Ultimate Awards cardholder’s eligible credit card account.

For Benefit 5: Cancellation of Domestic Travel Arrangements, this cover starts once the entire cost of your return interstate flight has been charged to the Platinum, Diamond or Ultimate Awards cardholder’s eligible credit card account and ceases when you commence your interstate flight.

For all other benefits under this Interstate Flight Inconvenience, cover starts on the earlier of:

- the departure date shown on your return interstate flight ticket, or
- the time you leave your home if you travel directly from that home to the airport shown on your return interstate flight ticket.

Cover ceases when the first of the following occurs:

- Seven days after the departure date shown on the business Platinum cardholder’s return interstate flight ticket
- 14 days after the departure date shown on the personal Platinum, personal Diamond or personal Ultimate Awards cardholder’s return interstate flight ticket
- When you cancel your interstate flight ticket
- When you return to your home if you travel directly to that home from the airport shown on your return interstate flight ticket

Insurance cover for ‘business goods’ is only available to business Platinum cardholders.
1. Delays
   a. Flight delay
   If your intended interstate flight is delayed by four hours or more, and no alternative transport is made available, you are entitled to charge up to $35 for each of you to the cardholder’s eligible credit card account for meals and refreshments, up to a total of $100.

   b. 12 hour luggage delay
   If, following your interstate flight, your luggage containing clothes and toiletries is delayed in getting to you for over 12 hours, you are entitled to charge up to $150 for each of you to the cardholder’s eligible credit card account for essential clothing and toiletries, up to a total of $450.

2. Loss of or damage to business items or personal goods
   We insure you during your interstate travel, while this cover is in force, for the theft and accidental loss of, or damage to, clothing and your business items or personal goods that you have with you. We will pay up to a maximum amount of $750 for each item to a maximum of $1,500 in total per trip.

   We do not cover your business items or personal goods under this benefit in any of the circumstances specified in Overseas Travel Policy, Benefit 11: Baggage and Personal Goods under ‘We will not pay for’.

   We may choose to:
   1. repair the item
   2. replace the item, less an amount which takes into consideration its age
   3. pay you the amount it would cost us to replace the item less an amount, which takes into consideration its age, or

Our payment will not be more than the amount you paid for the item and depreciation will be deducted in accordance with the table following (where applicable).

   When taking into consideration the age of an item we will deduct the following amounts from the replacement cost:

Transit Accident

Transit Accident is a cover available to Commonwealth Bank personal Platinum, business Platinum, personal Diamond and personal Ultimate Awards cardholders travelling internationally, subject to the following terms and conditions and the details contained in Important Information.

It provides certain accidental death and injury cover for cardholders who sustain an injury or die as a result of an accident on a trip while riding as a paying passenger in (not as a pilot, driver or crew member), or boarding or alighting (being when you physically get on or off) a licensed plane, tourist bus, train, ferry or other conveyance as outlined in this cover.

This cover is available on a trip outside Australia where, prior to the trip, the entire payment for the trip was charged to the cardholder’s eligible credit card account. In certain circumstances the benefits also extend to the cardholder’s family, provided they are travelling with the cardholder and, before the trip, the payment for their trip was also charged to the cardholder’s eligible credit card account.

The benefits listed under the Schedule of Benefits following will be paid if, while outside Australia, the cardholder and/or their family, subject to meeting the eligibility and extended cover as above, suffer a loss as a result of an injury incurred following an accident under the circumstances specified as follows:

1. The injury is sustained on a trip while you are riding as a paying passenger in (not as a pilot, driver or crew member) or boarding or alighting (being when you physically get on or off) the licensed plane, tourist bus, train or ferry authorised pursuant to any statute, regulation, by-law or the equivalent thereof for the transportation of passengers for hire.

2. The injury is sustained while you are riding as a paying passenger in (not as a pilot, driver or crew member) another conveyance (for example a licensed taxi, bus or hire vehicle) authorised pursuant to any statute, regulation, by-law or the equivalent thereof for the transportation of passengers for hire. This is provided you are travelling directly to or from an airport, bus depot, railway station or dock, immediately preceding or following the scheduled trip.

When, due to an accident specified in points 1 or 2 above, you are unavoidably exposed to the elements and, because of such exposure, suffer an injury for which indemnity is otherwise payable hereunder, the loss shall be covered under the terms of this cover.

3. If your body has not been found within one year of the date of your disappearance arising out of an accident, which would give rise to a loss as specified in points 1 or 2 above, it will be presumed that you died as a result of injury caused by the accident at the time of your disappearance.

A benefit payable under this cover will be paid to the cardholder or spouse. In the event of your death, the benefit will be paid to your legal representative. In the event of an injury or death of an accompanied child, we will pay the cardholder.

When an accident results in any of the injuries, shown in the Schedule of Benefits table, on the next page, within one year after the date of the accident, we will pay the benefit amount shown according to the injury.

If you sustain more than one injury resulting from one accident, the Benefit Amount for the greater injury will be paid.

Limits on what we pay
The most we will pay for all claims that result from the one incident (e.g. a bus crash) is a maximum amount of $1,300,000. This is regardless of the number of persons (whether related or not) eligible for cover who are involved in the incident.

This means that if, as a result of one accident, a number of cardholders, spouses and/or accompanied children (whether related or not) suffer an injury, we would pay each on a proportional basis (using the Schedule of Benefits above) up to a total of $1,300,000. For example, if six cardholders lost their lives in the same bus crash, we would pay $216,667 to each of their legal representatives.

Price Guarantee

Price Guarantee cover is available to Commonwealth Bank personal Platinum, business Platinum, personal Diamond and personal Ultimate Awards cardholders, when:
- business items or personal goods to the value of $10,000 are purchased by a Diamond, Platinum or Ultimate Awards cardholder in a store (not online) in Australia, and
- the entire cost is charged to the Diamond, Platinum or Ultimate Awards cardholder’s eligible credit card account.

Cover is subject to the following and the details contained in Important Information.

This cover refunds the cardholder the difference in price if, within 21 days of the purchase, they advise us that they have, subsequent to their purchase, received a printed catalogue showing the same business items or personal goods for a lower price in a store within 25 kilometres of the store that the business items or personal goods were purchased, and the price difference is greater than $75.

To make a claim, you must report the cheaper article and submit your claim to us within 30 days of the purchase of the business items/personal goods.

The cheaper business item or personal goods must be: the same model number, the same model year and produced by the same manufacturer as the business items or personal goods purchased by you.

What is the cover limit?
Provided the price difference is greater than $75, we will refund the price difference up to a maximum amount of $500 for any one item, set or pair items (including attached and unattached accessories).

What is not covered?
This section does not cover business items or personal goods purchased or advertised exclusively on the internet.

Purchase Security

Purchase Security is a cover available to all Commonwealth Bank eligible cardholders, subject to the following terms and conditions and the details contained in Important Information of this booklet.

This cover provides 90 consecutive days of cover (from the date of purchase) in the event of loss, theft or damage of a wide range of new business items or personal goods purchased anywhere in the world, when those items are charged to the cardholder’s eligible credit card account or purchased by redeeming Commonwealth Awards points.
**We** do not cover your business items or personal goods under this benefit in any of the circumstances specified in Overseas Travel Policy, Benefit 11: Baggage and Personal Goods under ‘We will not pay for’.

**Terms and conditions**

1. This cover provides automatic insurance protection for new business items or personal goods when their purchase is charged to an eligible credit card or the purchase is made by direct redemption of Commonwealth Awards points, unless the business items or personal goods and/or claims are excluded by the policy’s terms and conditions, or the cardholder fails to comply with the policy conditions in this booklet. For the avoidance of doubt, business items or personal goods being purchased by instalment payments (e.g. mobile phone contracts) are not covered until the final payment is made.

2. Cover extends to permanent Australian residents who receive the new business items or personal goods as a gift from a cardholder who has purchased the business items or personal goods in accordance with point 1 above. For the purpose of this cover, these persons are also referred to as cardholder or cardholders.

3. The business items or personal goods are insured anywhere in the world for 90 consecutive days from the date of purchase in the event of loss, theft or damage. However, there is no cover until you have taken possession of the business items or personal goods.

**What are the cover limits?**

**We** will pay the lesser of:

1. the actual amount charged to the cardholder’s eligible credit card account to purchase the new business items or personal goods
2. the market value of the business items or personal goods purchased through the redemption of Commonwealth Awards points
3. in respect of jewellery, watches and fine arts, a maximum amount of:
   a. $3,000 for personal Gold, business Gold and business Platinum cardholders, and
   b. $10,000 for personal Platinum, personal Diamond and personal Ultimate Awards cardholders, or
4. up to a maximum in any 12 month period of:
   a. $6,000 for business Gold and business Platinum cardholders
   b. $125,000 for personal Gold cardholders, and
   c. $200,000 for personal Platinum, personal Diamond and personal Ultimate Awards cardholders
in respect of any one eligible credit card account.

**Extended Warranty**

Extended Warranty is a cover available to all Commonwealth Bank eligible cardholders, subject to the following terms and conditions and the details contained in Important Information of this booklet.

The purpose of the cover is to extend the manufacturer’s expressed written Australian warranty on business items or personal goods (the warranty that is applicable and able to be fulfilled within Australia and that has been properly registered with the manufacturer). This is provided the purchase is charged to the cardholder’s eligible credit card account or is purchased by redeeming Commonwealth Awards points.

The business items or personal goods may come with guarantees from the seller and/or the manufacturer that cannot be excluded under the Australian Consumer Law or other relevant law and that may entitle you to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You may also be entitled to have the goods repaired or replaced, if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

This Extended Warranty operates alongside, and in addition to, and does not change or take away any rights you may have under, the Australian Consumer Law in relation to your business items or personal goods. However, you can choose to make a claim under this cover even if you have rights under the law.

**Terms and conditions**

1. The cover provided by this Extended Warranty in respect of the purchase of business items or personal goods comes into effect at the end of the Australian warranty period that applies to those business items or personal goods and covers the cost to repair or replace the business items or personal goods.

2. This Extended Warranty period will be for a duration equivalent to the Australian warranty period, up to a maximum of one full year, and does not apply if the Australian warranty exceeds five years.
The table below sets out examples of how extended warranty periods apply:

3. Only covered breakdowns are eligible for Extended Warranty. A covered breakdown means the failure of business items or personal goods to operate for the purpose for which they were designed as a result of a breakdown or defect, provided the breakdown or defect is covered by the terms of the Australian warranty.

4. You must take all reasonable care to protect and maintain the business items or personal goods insured under this cover.

5. If a claim is to be paid under this cover, you must obtain approval from us prior to proceeding with any repairs or replacement of the business items or personal goods, which have broken down, or are defective. You must also retain the business items or personal goods or parts for our inspection.

What are the cover limits?

We will not pay more than:

1. the actual Australian dollar purchase price of the business items or personal goods charged to the eligible credit card account

2. the market value of the business items or personal goods purchased through the redemption of Commonwealth Awards points, and

3. up to a maximum in any 12 month period of:
   a. $6,000 for business Gold and business Platinum cardholders
   b. $10,000 for personal Gold cardholders, and
   c. $20,000 for personal Platinum, personal Diamond and personal Ultimate Awards cardholders in respect of any one eligible credit card account.

About the Group Policy

The Group Policy is a contract of insurance between us and the Commonwealth Bank who is the insured entity under the policy.

Access to benefits under the Group Policy is provided to cardholders solely by operation of section 48 of the Insurance Contracts Act 1984.

Cardholders do not enter into any agreement with us and cannot vary or cancel the Group Policy, as they are not the contracting insured. If we or the Commonwealth Bank cancel or vary the Group Policy, neither we or the Commonwealth Bank need to obtain consent to do so.

We do not provide any notices to cardholders. We only send notices to the Commonwealth Bank (to whom we have contractual obligations).

You are not obliged to accept any of the cover benefits, but if you wish to make a claim under the Group Policy then you have the same obligations to us as the Commonwealth Bank in accordance with the Insurance Contracts Act. We have the same rights regarding cardholders as we have regarding the Commonwealth Bank.

Neither we nor the Commonwealth Bank hold anything in trust, for the benefit of, or on your behalf under the Group Policy.

The Commonwealth Bank does not act on our behalf or on your behalf in relation to the insurance.

Any person who may be eligible should consider obtaining advice as to whether the benefits are appropriate or useful for their needs, from a person who is licensed to give such advice. No advice is provided by us, our representatives or the Commonwealth Bank that this insurance is appropriate or useful for any person’s needs. Nothing prevents such persons from entering into other insurance arrangements.

Termination of the Group Policy

The Commonwealth Bank may terminate or vary the Group Policy at any time. If this happens, the Commonwealth Bank will:

• give the cardholder written notice of the variation or termination, or
• advise the cardholder that a variation or termination will occur.

In these circumstances, the Commonwealth Bank will not provide the cardholder with a copy of the actual changes made to the cover. The Commonwealth Bank will direct the cardholder to the relevant website URL for the details of the variation or termination and inform the cardholder that they can call the Commonwealth Bank to request that a copy of the actual changes is sent to the cardholder by post or email.

Purchases made in accordance with the existing Included Cover before the Group Policy is varied or terminated will still be eligible for that cover. Any purchases made after the variation or termination of the Group Policy will not be eligible for the existing cover.

Cancelling your policy

The cover provided under an Overseas Travel Policy or any Upgrades can be cancelled by the cardholder at any time.

If the cardholder cancels their Overseas Travel Policy, any Upgrades bought by the cardholder will also be cancelled at the same time.

For Upgrades cancelled within a cooling-off period of 14 days after you are issued your Certificate of Insurance, you will be given a full refund of the premium you paid, provided you have not started your journey or you do not want to make a claim or exercise any other right under your cover.

After this period you can still cancel your cover. We will refund to you a proportion of the premium for the unexpired period of cover (less any non-refundable government charges and taxes that we have paid and are not recoverable). You are not entitled to a refund if you have started your journey, you want to make a claim, or exercise any other right under your cover.

To cancel your cover please contact Cover-More by phone 1300 467 951 or email commbank@covermore.com.au.

Change of terms and conditions

From time to time, and where permitted by law, we may change parts of the PDS and Information Booklet. We will issue you/the cardholder with a new PDS, Information Booklet or a Supplementary PDS or Information Booklet or other compliant document to update the relevant details, except in limited cases. Any updates, which are not materially adverse to you/the cardholder from the view of a reasonable person deciding whether to acquire this insurance, can be found on commbank.com.au/travelinsuranceincluded. You/the cardholder can obtain a paper copy of any updated information, without charge, by calling Cover-More on 1300 467 951.
