You are responsible for paying all the premiums under the Policy.
- "Your premium" is the premium referable to benefits covering you as the Life Insured. Also, "your Sum Insured" is the sum insured of a benefit covering you as the Life Insured and "your benefit" or "your cover" are references to benefits covering you as the Life Insured.
- An insured benefit covering you as the Life Insured is payable when you suffer an insured event in accordance with the terms of the Policy.
- We will pay a benefit covering you as the Life Insured in the terms of the Policy as set out in this PDS. See the "Who receives the benefit?" section of this PDS on page 20 for further information.

Welcome to Life Insurance provided by AIA Australia

There are some things in life you'd probably rather not think about, even though you know they're important - like life insurance. Many Australians recognise the need for life insurance, yet it is only when faced with a tragedy that most come to understand how important it is to be properly insured.

To help protect you, your family and your lifestyle, AIA Australia, one of the country's leading life insurers, is providing Life Insurance to Commonwealth Bank of Australia (CommBank) customers. Main benefit

Life cover

Life cover pays a lump sum benefit of up to \$1,000,000 in the event of your death or diagnosis with a Terminal Illness. The benefit can be used to help your loved ones pay off debts, such as your mortgage, or to provide for future financial needs such as childcare, school fees and day to day living expenses.

Additionally, in the event of your death, your beneficiaries can request an advance payment of \$15,000 to cover immediate costs such as funeral costs.

The minimum amount of Life cover you can apply for is \$100,000*. The maximum amount of cover you can apply for is \$1,000,000, depending on your age.

* We may set a higher minimum Sum Insured to ensure you meet our minimum premium requirements of \$180 per annum.

Additional cover options

When you take out Life cover, you also have the option to apply for Total and Permanent Disability cover and Trauma cover.

Total and Permanent Disability (TPD) cover

TPD cover pays a lump sum benefit of up to \$750,000 to help support your family and lifestyle needs if you become Totally and Permanently Disabled. The minimum amount of TPD cover you can apply for is \$100,000 and the maximum amount of TPD cover you can apply for is \$750,000, depending on your age. Your TPD cover cannot exceed your Life cover Sum Insured.

Eligibility at application

To be eligible for TPD cover, at the time of application you must meet the following criteria:

- Employed or Self-Employed;
- working at least 20 hours per week;
- spending no more than 20% of your working hours at your place of residence; and
- not performing moderate or heavy manual work†.

If you do not meet the above eligibility criteria, you will not be eligible to purchase TPD.

Accessing your TPD benefit

Your employment situation, occupation type, hours worked and work location will determine the TPD definition you are assessed under. You will be assessed under the TPD (Any Duties) definition if at the time of claim you are:

- Employed or Self-Employed;
- working at least 20 hours per week;
- spending no more than 20% of your working hours at your place of residence; and
- not performing moderate or heavy manual work†.

If the above TPD (Any Duties) criteria are not met, you will then be assessed under the TPD (Activities of Daily Living) definition.

Note: Depending on which TPD definition is applicable to you, a 6 month qualifying period may apply.

Important: Please refer to the definitions of Total and Permanent Disability on page 33 for more details.

† Occupations that are considered as performing moderate or heavy manual work are:

occupations such as fully qualified tradespersons who perform a moderate level of manual work (e.g. electricians, chefs, carpenters), semi-skilled workers and unqualified tradespersons, who perform heavy manual work (e.g. cleaners, truck drivers, fencing contractors) and unskilled workers who perform extra heavy manual work (e.g. concreters, earth-moving workers, carpet layers).

Trauma cover

Trauma cover helps to protect your financial health by providing a lump sum benefit if you suffer one of the listed Trauma Events on page 10. Your benefit can be used for any purpose, such as taking time off work whilst you recover or making lifestyle changes during this difficult time, or assisting with living expenses or out of pocket medical expenses.

The maximum amount of Trauma cover you can apply for is 50% of your Life cover Sum Insured, up to a maximum of \$250,000.

A Trauma benefit is payable if you suffer one of the Trauma Events listed below.

Trauma Events

- Cancer
- Chronic Kidney Failure
- Coma
- Coronary Artery Bypass Surgery
- Heart Attack
- Loss of Hearing
- Loss of Speech
- Multiple Sclerosis
- Paralysis
- Pneumonectomy
- Severe Burns
- Stroke

Please refer to the “Definitions” section on pages 28 to 33 for full definitions of the covered Trauma Events.

The time at which a Trauma Event will be deemed to have occurred is:

- in the case of a Trauma Event which requires a diagnosis – at the date of diagnosis;
- in the case of a Trauma Event which involves a medical procedure – at the date that the event which the procedure is intended to address was first diagnosed (provided the procedure is subsequently undertaken); or
- in the case of any other Trauma Event – at the date of the relevant Trauma Event.

Eligibility

Eligibility for membership to the AIA Vitality program arises under and is subject to the AIA Vitality terms and conditions. Access to the AIA Vitality program as a result of holding Life Insurance requires your annual premium on your Policy or combined annual premium on all Life Insurance and Income Protection policies to be equal to or greater than \$750 per person. You will no longer be eligible to access the AIA Vitality program as a result of holding a Life Insurance Policy if you:

- annual premium on all Life Insurance and Income Protection policies falls below \$750 (for example, if you reduce your sum insured or your additional cover options expire); or
- cover ceases on all Life Insurance and Income Protection policies (including expiry and cancellation of cover) (see the “How your Policy Works” section on pages 14 to 15).

The AIA Vitality terms and conditions set out other circumstances where membership to the AIA Vitality program may terminate. Termination of your AIA Vitality membership will not reduce your premiums.

How your Policy works

Who can be covered under the Policy?

Only one person can be insured under the Policy.

The Life Insured will also be the Policy Owner under the Policy.

Eligibility requirements

At the time of application and when receiving this PDS, you must be:

- a CommBank customer living permanently in Australia;
- an Australian citizen or permanent resident*, or a New Zealand citizen;
- aged 18 to 65 for Life cover; and
- aged 18 to 59 for TPD and Trauma cover.

* as approved by the Department of Immigration and Citizenship.

Application process

You can apply for cover online via NetBank or the CommBank app.

To help assess your application, you will need to answer some health, medical and lifestyle questions. This is called underwriting.

When does your cover start and stop?

Your cover will start on the date we notify you that we have accepted your application. This is known as your Policy Commencement Date. As long as you continue to pay your full premium instalments when due, and subject to the terms of your Policy, your cover will continue regardless of changes to your health, occupation and pastimes until the Expiry Date.

We will send you a Policy Schedule which will outline your accepted benefits, Sum Insured, Policy Commencement Date and each cover's Expiry Date.

Your cover will cease on the earliest of:

- your death;
- payment of your Life cover benefit;
- when a benefit is paid for TPD which reduces the Life cover Sum Insured to nil;
- for TPD cover, when a benefit is paid for TPD or where payment of a benefit for a Trauma Event reduces the TPD cover Sum Insured to nil;

- for Trauma cover, when a benefit is paid for a Trauma Event or where payment of a benefit for TPD reduces the Trauma cover Sum Insured to nil;
- the Expiry Date, which is the Policy Anniversary Date on or immediately after your:
 - 75th birthday for Life cover; and
 - 65th birthday for TPD and Trauma cover;
- you ceasing to be an Australian citizen or permanent resident*, or a New Zealand citizen;
- you no longer residing permanently in Australia;
- the cancellation of your cover at your request; and
- the cancellation of your cover by us due to non-payment of premiums or if the eligibility requirements have not been met or as otherwise permitted by law.

* as approved by the Department of Immigration and Citizenship.

If you change your mind – the cooling-off period

Should you change your mind after you become a Policy Owner, you have a 30 day cooling-off period, where you can cancel your Policy and receive a full refund of premiums paid.

The cooling-off period starts from the earliest of the date you receive your Policy documents from us (including this PDS) and the end of the fifth day after we send these documents to you.

To cancel your Policy within the cooling-off period, please contact the AIA Australia Customer Service team:

Email: customerservice@lifeinsurancebyaia.com

Mail: AIA Australia Customer Service
PO Box 6143, Melbourne VIC 3004

Phone: **1800 491 588**

There's just one exception, the cooling-off period automatically ends if you make a claim.

Changes to your cover amount

Benefit indexation

You can choose to include benefit indexation which automatically increases your Sum Insured so it keeps up with inflation. Benefit indexation may reduce the risk of inflation eroding your benefit.

At application stage, you choose whether to include, or not to include, benefit indexation increases on your Policy.

If you have selected to include benefit indexation as part of your Policy, we will automatically increase the Sum Insured at the Policy Anniversary each year by the higher of the Consumer Price Index Increase (CPI Increase) and 5%. Your premium will be adjusted to allow for the higher Sum Insured and age at each Policy Anniversary Date.

Benefit indexation increases are not limited to the maximum Sum Insured at Policy Commencement Date. This means that increases to your Sum Insured as a result of Benefit Indexation may result in your Sum Insured exceeding the maximum sum insured allowed at Policy Commencement Date.

Once benefit indexation has been applied to your Policy, you can choose to remove it at any time by contacting us. Your request to remove benefit indexation increases must be received by us before the Policy Anniversary Date on which the increase would apply.

Once requested, benefit indexation increases will be removed from your Policy from the next Policy Anniversary Date.

Benefit indexation will cease on the Expiry Date of the benefit.

If you have chosen not to include benefit indexation increases on your Policy at application stage but have changed your mind, you may add benefit indexation up to 60 days from your Policy Commencement Date without requiring underwriting and our acceptance (grace period).

If you decide to add benefit indexation increases to your Policy after the grace period, the maximum Sum Insured based on your current age will apply (see the “What you’re covered for” section on pages 6 to 7) and your Policy will be subject to underwriting and acceptance by us.

Note: Where benefit indexation is selected, it will apply to all benefits under that policy.

labelling, decreasing or increasing your cover

You may cancel, decrease or increase your cover at any time. If premiums are paid fortnightly or monthly, we will cancel or change your cover from the end of the fortnight or month for which the cover has already been paid. If premiums are paid annually, we will cancel or change your cover from the next monthly anniversary of your Policy Commencement Date, and refund any excess premiums or require extra premiums (as applicable) from that time.

Any increase in your cover (including adding benefit indexation increases after the grace period) will be subject to underwriting and acceptance by us. We will limit your maximum Sum Insured to the maximum amount available based on your age.

Any decrease in your cover will be subject to the minimum Sum Insured, as well as any minimum premium requirements (see the “Premiums and charges” section on pages 18 to 19).

To cancel, decrease or increase your cover, please contact the AIA Australia Customer Service team on **1800 491 588**.

Cover reinstatement

If you cancel or decrease your cover, the cancelled or decreased cover can only be reinstated at a later time if we agree.

If the Policy lapses (see the “If the Policy premiums aren’t paid” section on page 19), we will send you a letter confirming that you have an additional 30 days in which to reinstate cover without requiring underwriting and our acceptance. We are not otherwise bound to accept any requests to reinstate cover, and any such requests are subject to underwriting and acceptance by us.

If cover is reinstated, we won’t pay for any claims that occur between the date cover ceased and the Policy Reinstatement Date.

Premiums and charges

The premium is the amount that needs to be paid to maintain your Life Insurance Policy, including access to AIA Vitality, if applicable. Your premium also includes government charges such as stamp duty and taxes.

We will notify you of the premium applicable to your Policy once you complete an application for Life Insurance. It is your responsibility to pay the premium for your Policy.

Your premium amount will depend upon the information provided by you at application, the level of cover and options you choose, your payment frequency, whether benefit indexation has been chosen (higher of CPI increases and 5%), your health history, your age, gender and smoking status (premium rates are higher for smokers) and any discounts that apply. If you selected the optional TPD cover, your premium will also depend on your employment situation and occupation type. We may charge a minimum premium of \$180 per annum, or require your cover to be at a level sufficient to meet the minimum premium. Your premium also takes into account our reasonable operating costs, including but not limited to costs incurred in administering your policy and providing the AIA Vitality program, if applicable.

Your premium is guaranteed from one Policy Anniversary Date to the next. Your premiums may increase each year at your Policy Anniversary Date, for example premiums generally increase in line with your age and any Sum Insured increase due to benefit indexation until the benefit Expiry Date.

You can pay the premiums on a fortnightly, monthly or annual basis by credit card or by direct debit from a bank account. If payment is by direct debit, the payment arrangement will be governed by the terms of the Direct Debit Request Service Agreement, which is attached to this PDS.

From time to time, we may make payments to CommBank or other entities involved in distributing Life Insurance based on commercial arrangements. When we do so, such payments are included in your premiums and do not represent any additional charge or cost to you.

If the Policy premiums aren't paid

If the Policy's premiums aren't paid within 60 days of the due date (or within 30 days if premiums are paid fortnightly), the Policy will lapse. You won't be covered for any period from the date your policy lapses.

Change of smoking status

If you have ceased smoking tobacco or any other substance for a continuous period of 12 months you may change your status from a smoker to a Non-smoker, for the purpose of determining your insurance premium. Contact us on **1800 491 588** to obtain an application for Non-smoker rates. The application for Non-smoker rates is subject to approval and written confirmation by us.

Changes to fees and charges

We retain the right to vary any fees and charges, including premiums, at our discretion. Any change, except changes due to taxes and imposts, will be advised to you in accordance with the law. This Policy will not be singled out for an increase in fees or charges.

Taxation and imposts

Based on our interpretation of the current tax laws, we expect that Life Insurance premiums would not generally be tax deductible and benefits paid under the Policy would not be treated as income for tax purposes. The tax treatment of your Policy will ultimately depend on your individual circumstances, changes in tax law and the views of the Australian Taxation Office. You should seek professional tax advice in this respect, if necessary.

Where we are, or believe we will become, liable for any tax or other imposts levied by any Commonwealth or State government, authority or body in connection with this Policy, we may reduce, vary or otherwise adjust any amounts (including but not limited to premiums, charges and benefits) under this Policy in the manner and to the extent we determine to be appropriate to take account of the tax or impost.

If you need to make a claim

How the claims process works

If you believe you have suffered a claimable event, we need to be notified within 30 days (or as soon after that event as reasonably possible).

To make a claim:

1. Contact us for a claim form:
Phone: **1800 491 588**
Email: claims@lifeinsurancebyaia.com
2. Mail your completed claim form to:
Claims Team, AIA Australia Customer Service
PO Box 6143, Melbourne VIC 3004

Things to note

To process the claim we may need additional information. We may ask for medical evidence, documents or other information (which in some cases may need to be provided by an appropriate Medical Practitioner), for which you may have to pay. Once we have received all relevant information and the claim has been approved by us, the benefit will be paid.

We will not pay a benefit:

- if the Policy has lapsed; or
- if you do not meet the terms and conditions of the Policy; or
- if a claim is fraudulent in any way (and you will need to repay it if it has already been paid in part or full).

Who receives the benefit?

If we pay a claim, we will determine who receives the benefit as follows.

- On your death, the Life and Final Expenses benefits will be paid in the following order:
 - any beneficiaries nominated by you;
 - your estate (where no beneficiaries have been nominated).
- The Terminal Illness, TPD and Trauma benefits will be paid to you.

Other Policy terms and conditions

Benefit limitations

We may limit the total amount we pay under the policies covering you in two ways:

1. if you are covered under more than one Life Insurance provided by AIA Australia Policy, we may limit the total Sum Insured under all policies to the maximum Sum Insured available for your age, as set out in the “What you’re covered for” section on pages 6 to 7; and
2. if you are covered under more than one insurance policy issued by us, we may limit the Sum Insured under this Policy so that your total Sum Insured under all insurance policies issued by us does not exceed \$2 million.

If we limit cover for these reasons, we will refund premiums for the reduced portion of the Sum Insured on a pro-rata basis. The limit will not be applied to Sum Insured amounts in excess of the maximum Sum Insured due to benefit indexation increases.

Personal Information

Please let us know straight away if you change your contact details or if there’s any other change which may require an alteration to your Policy, by:

Email: customerservice@lifeinsurancebyaia.com

Phone: **1800 491 588**

Applicable law

This Policy is governed by the laws of the Australian State or Territory in which it was issued. Any dispute or action in connection to the Policy shall be conducted and determined in Australia.

Changes and updates

We may improve the terms of Life Insurance and to the extent that you are not disadvantaged, these improvements may be added automatically to the Policy. We will notify you of any changes as required by law. Changes that are not materially adverse to you will be updated and made available under policyholder information in Help & Support at aia.com.au. You can obtain the current terms by calling us on **1800 491 588**.

Currency

All amounts under the Policy whether payable by us or by you are payable in Australian currency.

Economic sanctions

Notwithstanding the terms of your Policy, we are subject to certain laws and economic sanctions (both local and international) which may prohibit us from completing some financial transactions and/or dealings with you or your beneficiaries. We will not deal with you or your beneficiaries or complete a financial transaction under the terms of the Policy if we are prohibited from doing so by law (including a law relating to sanctions).

Statutory fund

The Life Insurance Policy will be written in our Statutory Fund No.1. This Policy does not share in any profits.

Guaranteed renewable

Subject to the conditions that will end cover, (see the “When does your cover start and stop?” section on pages 14 to 15), your cover is guaranteed renewable on each Policy Anniversary Date, provided it is still in force (premiums are paid) at that date, regardless of any changes in your health, occupation or pastimes.

Other things to consider (risks)

There are risks associated with choosing insurance cover that you need to consider.

You may select an insurance product that does not meet your needs so you should make sure that you read this PDS so you know what is and isn't covered.

You may choose an amount of cover that's not right for you so you need to consider both your needs and the cost of the cover and you should seek advice if necessary.

If you apply for cover or later apply to increase or vary your cover, your age, health or circumstances may prevent you from being eligible so you should not cancel existing life insurance cover until your new cover is in place.

Premiums may change over time, which may affect your capacity to keep paying your premiums on time. For more information please see the “Premiums and charges” section on pages 18 to 19.

Your information

Your duty of disclosure

You have a duty to tell us anything that you know, or could reasonably be expected to know, which may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you, and also before you extend, vary or reinstate the Policy.

You do not need to tell us anything that:

- reduces our risk; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, and we would not have insured you if you had told us, we may avoid the contract within three years of entering into it.

If we choose not to avoid the contract, we may reduce the amount you have been insured for, based on a statutory formula. We may only exercise this right within three years of entering into the Policy if it provides death cover.

If we choose not to avoid the Policy or reduce the amount you have been insured for, if your Policy does not provide death cover, we may vary the contract in a way that places us in the same position we would have been in if you had told us everything you should have.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

We may apply these rights separately to each type of cover that we consider could form a separate policy.
