Page 14. Glossary – the medical definition for *heart attack* has been replaced with the following definition:

heart attack

The death of part of the heart muscle (myocardium) as a result of inadequate blood supply to the relevant area. The diagnosis must be confirmed by a cardiologist and evidenced by a typical rise and/or fall of cardiac biomarkers with at least one value above the 99th percentile of the upper reference limit and at least one of the following:

- signs and symptoms of ischaemia consistent with a myocardial infarction;
- confirmatory new (or presumed new) electrocardiogram (ECG) changes associated with myocardial infarction; or
- imaging evidence of new loss of viable myocardium or new regional wall motion abnormality.

If the above evidence is inconclusive or superseded by technological advances, we will consider other appropriate and medically recognised tests that unequivocally diagnose a myocardial infarction of the degree of severity or greater as outlined above has occurred.

Acute coronary syndromes including but not limited to angina pectoris, unstable angina, and acute coronary insufficiency are excluded as part of this definition.

Key Information

This Key Information summarises the benefits and exclusions that apply to Personal Loan Protection and is here to help you make an informed decision. You should read the full PDS before deciding whether or not to buy Personal Loan Protection.

What is personal loan protection?

There are two types of cover. If you are unable to work because of an injury or illness or if you lose your job, Loan Repayment Cover could help pay your minimum monthly loan repayments every month for up to 12 months, until you return to work.

Also, if you are diagnosed with a medical trauma or if you pass away Loan Cover could help pay off your whole loan. The benefits of each cover option are shown in the table below.

Eligibility

Personal Loan Protection is available to Commonwealth Bank personal loan customers who are aged between 18 and 54 years, and living in Australia.

How much it costs

The cost is \$25 per month to cover all eligible borrowers for both types of cover.

How to apply for Personal Loan Protection

To apply for Personal Loan Protection you can:

- complete an application at any Commonwealth Bank branch, or
- apply online through [NetBank](#).

The cooling-off period

From the day we send you the policy schedule, you have 14 days to consider whether the policy meets your needs (the 'cooling-off period'). Within this period you can cancel the policy by contacting us and we will refund in full any premiums you have paid.

Cover	Benefit	Summary
Loan Repayment Cover	Unemployment and Disability¹	If you are unable to work because of an injury or illness or if you lose your job, Loan Repayment Cover could help by paying your minimum monthly loan repayments every month for up to 12 months, until you return to work. If you are eligible for Loan Repayment Cover benefits, for each day you continue to be eligible after your 30 day waiting period, you will receive the higher of 1/30th of your minimum monthly repayment or 1/30th of \$600. We won't pay a monthly benefit of more than \$7,500.
Loan Cover	Trauma²	If you are diagnosed with cancer, a heart attack, a stroke, coronary artery disease requiring bypass surgery, Loan Cover could pay a lump sum off your loan up to your sum insured ³ .
	Terminal Illness and Death²	If you are diagnosed with a terminal illness (each as defined in the policy) or die, Loan Cover could pay a lump sum off your loan up to your sum insured ³ .

¹ To be eligible for the unemployment or disability benefits, you first need to be employed as defined in this policy (see page 14).

² Only one trauma benefit, terminal illness benefit or death benefit will be paid for each person covered and once paid cover for that person ends.

³ Your sum insured is referred to as your maximum death and terminal illness benefit amount in your policy schedule. It cannot be more than \$50,000. You and we agree on your sum insured when you apply for your policy.

About this document

This Product Disclosure Statement (PDS) is designed to help you decide whether to buy Personal Loan Protection.

The information it contains does not take into account your objectives, financial situation or needs and you should consider whether it's appropriate before acting.

All examples in this PDS are only intended to demonstrate how certain benefits are calculated. All benefits will be determined in accordance with the relevant policy terms. All references to monetary amounts in this PDS are references to Australian dollars.

The information in this PDS is current as at the date stated on the cover, however it is subject to change. If we make a change that is materially adverse, it will be communicated in writing by way of a Supplementary Product Disclosure Statement (SPDS) or a new PDS. Where a change in information is not materially adverse we will not issue a SPDS or new PDS. However you will be able to find the information about any changes at commbank.com.au/loanprotection or you can contact us to request details of the changes in writing which we will send you free of charge.

This PDS (other than pages 2 and 3) is also your policy document for Personal Loan Protection. Together with your policy schedule, the policy document makes up your insurance contract (the policy) with us.

The insurance described in this PDS is only available to customers living in Australia. If an applicant lives outside Australia their application will not be accepted.

About us

This PDS and policy is issued by The Colonial Mutual Life Assurance Society Limited ABN 12 004 021 809 AFSL 235035 (CMLA), a wholly-owned, non-guaranteed subsidiary of the Commonwealth Bank of Australia ABN 48 123 123 124. The Commonwealth Bank of Australia and its subsidiaries (other than CMLA) do not guarantee the obligations or performance of CMLA or the products it offers. Comminsure is a registered business name of CMLA.

CMLA guarantees the benefits payable under Personal Loan Protection. Under Personal Loan Protection, premiums are paid to, and benefits are paid from, CMLA's Statutory Fund No.5. This policy has no savings element or surrender value and will not participate in the profits or surpluses of CMLA or CMLA's Statutory Fund No. 5.

The policy is an agreement between the policyowner and CMLA. It is governed by the laws of the State of New South Wales and can't be assigned by the policyowner to another person.

CMLA's principal office of administration is Level 1, 11 Harbour Street, Sydney NSW 2000.

Meaning of words

The italicised words in this PDS have a particular meaning. Please see the Glossary on page 13 for these definitions.

In addition, in this document:

We/Us/Our – refers to The Colonial Mutual Life Assurance Society Limited, the insurer

You – depending on the context, means either:

- The person applying for cover before Personal Loan Protection is purchased; or
- The policyowner and person insured as named on the policy schedule.

Multiple policyowners hold the policy jointly.

Your Policy

The words in *italics* have the meanings set out in the Glossary starting on page 13.

Disability

We'll pay a disablement benefit if:

- you were *employed* for at least 90 consecutive days immediately before you became *disabled*,
- you've been *disabled* for at least 30 consecutive days (your waiting period), and
- a *doctor* certifies that your *disablement* has occurred. Until we receive this certification we won't consider you to be *disabled* in terms of this definition.

Once you've met all these requirements, we'll start to pay the disablement benefit to the Commonwealth Bank for the credit of your personal loan account and we'll do this for each day you continue to be *disabled* for up to 12 months.

The disablement benefit for each day of *disability* is 1/30th of the monthly benefit, which is the lesser of:

- your *minimum monthly repayment*,
- \$7,500

However, for each month you are continuously *disabled* we will pay at least \$600.

If you become *disabled* again by the same injury or illness within 30 days of the end of a previous period of *disablement*, we treat the two periods as one continuous period of *disablement*.

Unemployment

We'll pay an unemployment benefit if:

- you were *employed* for at least 90 consecutive days immediately before you became *unemployed*,
- you've been *unemployed* for at least 30 consecutive days (your waiting period), and
- while you're *unemployed* you're actively seeking work in Australia.

Once you've met all these requirements, we'll start to pay the unemployment benefit to the Commonwealth Bank for the credit of your personal loan account and we'll do this for each day you continue to be *unemployed* for up to 12 months.

The unemployment benefit for each day of

unemployment is 1/30th of the monthly benefit, which is the lesser of:

- your *minimum monthly repayment*,
- \$7,500

However, for each month you are continuously *unemployed* we will pay at least \$600.

If you become *unemployed* again within 90 days of the end of a previous period of *unemployment*, we treat the two periods as one continuous period of *unemployment*.

Minimum Monthly Repayment

Your *minimum monthly repayment* is no more than the minimum amount you must pay the Commonwealth Bank for the loan each month.

For the disablement benefit, this is determined at the date you first suffered the illness or injury that made you *disabled*. For the unemployment benefit, this is determined at the date you became aware that you would soon be *unemployed*.

We won't include any overdue payments (or interest on them), fees, charges, expenses, taxes or duties owed, or any other amounts you might owe because of overdue payments.

It's important to remember that your *minimum monthly repayment* may not be the same as the amount you actually pay off the loan each month.

Benefit Payment

We calculate the disablement benefit and unemployment benefit daily and pay it either fortnightly or monthly (or as we've otherwise agreed with you) in arrears. We pay this benefit to the Commonwealth Bank for credit of your loan account.

We'll only pay either the disablement or unemployment benefit at any one time, regardless of whether:

- there is more than one person insured on the policy,
- more than one person insured is *disabled* and/or *unemployed*, or
- one person insured is both *unemployed* and *disabled*.

If you have joint cover, we won't pay benefits

concurrently, (i.e. one claim must end before another can start).

Trauma, Terminal Illness and Death

If you die we pay a death benefit, if you become *terminally ill* we pay a terminal illness benefit or if you suffer a *trauma* we pay a trauma benefit.

The benefit we pay is equal to the lower of:

- the amount required to pay off your personal loan, as at the date of your death or the date you were diagnosed with a *terminal illness* or *trauma*
- your *maximum death and terminal illness benefit amount*, as shown on the policy schedule.

We pay the benefit to the Commonwealth Bank for the credit of your personal loan account. If paying the benefit results in any early loan repayment or similar fees, we'll pay these as well.

We only ever pay one trauma, terminal illness or death benefit for each person whose life is insured under this policy. We never pay both benefits. Once paid all cover for that person ends.

The trauma benefit covers *cancer, coronary artery disease requiring bypass surgery, heart attack and stroke*, as defined in this policy. Please see the definitions of these medical conditions in the Glossary starting on page 13.

Example of the disablement benefit: Bradley has been *disabled* for 150 days and, on the day he became *disabled*, Bradley's *minimum monthly repayment* was \$900. If Bradley's claim is accepted, we pay \$3,600 to his loan account, the equivalent of \$30 per day for 120 days of *disability* (150 days minus the 30 day waiting period).

Example of the unemployment benefit: Sevda has been *unemployed* for 60 days and, on the day she became *unemployed*, Sevda's *minimum monthly repayment* was \$400. If Sevda's claim is accepted, we pay \$600 to her loan account, the equivalent of \$20 per day for 30 days of *unemployment* (60 days minus the 30 day waiting period).

Example of how the trauma benefit works: Penny had a balance of \$25,000 owing on her loan on the day she was diagnosed as having a *stroke*. Penny's sum insured was \$30,000. If Penny's claim is accepted, we pay \$25,000 off her loan.

Example of how the terminal illness benefit works: Greg had a balance of \$20,000 owing on his loan on the day he was diagnosed as being *terminally ill*. Greg's sum insured was \$25,000. If Greg's claim is accepted, we pay \$20,000 off his loan.

Example of how the death benefit works: Michelle had a balance of \$30,000 owing on her loan on the day of her death. Michelle's sum insured was \$40,000. Michelle's parents are the executors of Michelle's estate and if their claim is accepted, we pay \$30,000 off the loan.

How your policy works

When Your Policy Starts

Your policy starts on your policy commencement date. You can see this date in your policy schedule, which we send to you separately and which shows:

- the person (or people) insured under the policy,
- the policy start date, and
- the amount of cover.

Cover for each person insured under the policy begins on the cover start date for that person (as shown in the policy schedule).

When Your Policy Ends

Your policy and all our obligations under it end when any of the following events occur:

- you or we cancel your policy,
- all cover under your policy ceases, or
- the Commonwealth Bank formally discharges or cancels your loan.

All cover for a person insured under the policy ends on the earliest of:

- the person dying,
- us paying a death, terminal illness or trauma benefit for them,
- the policy anniversary date before their 65th birthday.

Your Premium

We charge the first premium after the policy start date.

You are responsible for paying the premiums for this policy. We require you to pay the premiums in advance in regular and consecutive monthly instalments on the day of the month shown on the policy schedule.

Your premiums will be waived whilst you are receiving an unemployment or disability benefit.

You can pay by direct debit from a bank account or by a credit card acceptable to us. Unfortunately we do not accept AMEX or Diners Club cards. You can change the way you pay at any time as long as we have a current and acceptable payment authority from you.

We can change the rate at which your premium is charged and, if we do this, we will:

- if a higher rate is to apply, give you one month's notice (or longer period as required by law)

before increasing the amount you pay each month, and

- change the rate for all policies issued on the same terms as your policy (i.e. we won't single out your policy)

Cancelling Your Policy

How you can cancel your policy

You can cancel your policy at any time. To do this call us on **13 3982** between 8am and 8pm (Sydney time), Monday to Friday.

Your policy and all cover under it will end on the day we process your cancellation request. Your policy does not have any cash value when you cancel it. If you cancel the policy after the cooling off period you will not receive a refund of any premiums paid.

When we may cancel your policy

If you don't pay your monthly premium within one calendar month of the due date, we can choose to cancel your policy on any date we nominate. If we do this we'll write to you. We will not accept claims for events that happen after your policy is cancelled.

If we cancel your policy due to overdue premiums, you can ask us to re-instate your policy provided your premiums are not overdue for more than three months. If we agree to re-instate your policy, you must pay all outstanding premiums.

Please note that limitations as to when we pay benefits will apply from the date the policy is re-instated.

Making A Claim

If an insured event occurs, you or your legal representative should contact us as quickly as possible to give us the details.

To claim:

- Call **13 3982** between 8am and 5pm (Sydney time), Monday to Friday. We will send you a claim form and a covering letter outlining the supporting evidence we need to be able to assess the claim.
- Complete the claim form and return it to us with supporting evidence of your claim. You must provide all certificates and evidence we require at your own expense, except where we ask for a medical examination or other tests. We may require all certificates to be supported by our chief medical officer.

If we consider it necessary, we may require access to all medical records and test results so we can

independently verify the existence and the extent of an event. We can make any reasonable enquiries about the claim and we may require you to have a medical examination by a *doctor* we nominate.

How we pay a claim

Once we've received all the necessary documents and assessed the validity of your claim, we'll pay your claim as soon as possible.

Important Information

You're not obliged to take out Loan Protection when arranging a Commonwealth Bank personal loan. You can apply for this type of cover with another insurer.

Understanding The Risks

You should be aware that we only provide cover under Personal Loan Protection for death, terminal illness, trauma, disablement and unemployment. The extent to which benefits are payable under Personal Loan Protection is measured by reference to the amount you owe on your loan.

Commission

We may pay a commission to the Commonwealth Bank or other third party of up to 20% of the premiums we receive.

Taxation

As Commlnsure is not a registered tax (financial) adviser under the Tax Agent Services Act 2009, you should seek independent, professional tax advice from a registered tax agent or a registered tax (financial) adviser before making any decision based on this information or relying on this information to satisfy the liabilities or obligations or claim entitlements that arise, or could arise, under a taxation law.
