## Things you should know

- ◆ New investors investing in new Investment Growth Bond policies with an initial investment amount of \$100,000 or greater (Eligible Policy) will receive a rebate in the form of additional units (Offer). The Offer is available from 29 June 2019 until 31 March 2021 (Promotion Period).
- ◆ The rebate applies to each individual Eligible Policy. Each Eligible Policy will be treated separately and initial amounts invested across multiple policies cannot be combined for the purposes of qualifying for a rebate.
- ◆ The rebate will be applied upfront and credited to the Eligible Policy in the form of additional units. The number of units allocated will depend upon the amount used to purchase the Eligible Policy (Initial Investment) and the unit price allocated for the business day on which a completed Application Form is received. Where the Initial Investment is invested into more than one investment option, the rebate will be pro-rated across each investment option according to the percentage of the Initial Investment placed in each investment option.
- ◆ We reserve the right to extend the Promotion Period, vary or withdraw the Offer.
