How to use NetBank

Commonwealth Bank

Easy English

Blue words

Some words in this book are **blue**.

We write what the blue words mean.

Help with this book

You can get someone to help you

- understand this book

- find more information.

Contact information is at the end of this book.

About this book

This book is written by Commonwealth Bank.

This book is about how to use **NetBank**.

NetBank is a website to bank online.

This book says how to use NetBank to

- move money between your accounts

- make payments

- manage your cards

- change your contact details

- access your **bank statements**
 - bank statements are documents that show money you get and spend over time.

How to set up NetBank

What you will need to set up NetBank

To set up NetBank you will need a card.

This can be

- a debit card

- a credit card

- a keycard

or

- a travel money card.

You will also need

- your mobile phone

- an email address

- your card **PIN**
 - a PIN is a 4 digit number for your card.

How to set up NetBank

1. Go to the website

commbank.com.au/digital-banking/netbank.html

2. Click **Register for NetBank**.

Card number 	XXXXXXXXXXXX
Cardholder type (Credit cards only)	<input checked="" type="radio"/> Primary cardholder <input type="radio"/> Additional cardholder
Card PIN 

3. Enter your card number and card PIN.

	To continue, enter the security code
	Security Code <input type="text"/>

4. Enter the security code.

You can

- click the refresh button for a new security code

- click the speaker button to hear the security code.

5. Click **GET NETCODE** and it will be sent to your phone.

Read the NetCode message and make sure it is for the activity you are completing.

6. Enter the code from your phone to our website.

7. Enter your email address.

Make up a password that is hard to guess.

For example, a safe password

- must be between 6 and 12 characters long

- includes letters and at least 1 number

- does not include information about you that is easy to find
 - for example, your birthday.

To keep your password safe

- do **not** tell anyone your password

- do **not** write your password down.

Enter the password.

You will also get your **client number**.

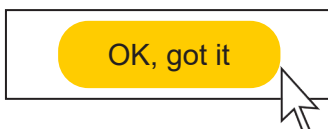

Your client number is a number we give you when you register.

Please write down this number and keep it in a safe place.

8. Choose 2 security questions and write your answers.

9. Read our **privacy collection notice** then click **OK, got it**.

10. Read the **terms and conditions** and tick the box to say you agree.

<input checked="" type="checkbox"/>	_____
<input type="checkbox"/>	_____
<input checked="" type="checkbox"/>	_____
<input type="checkbox"/>	_____
<input checked="" type="checkbox"/>	_____

Terms and conditions are rules you **must** agree with to use NetBank.

11. Click **OK, got it**.

For help to set up NetBank, you can

- visit any of our bank branches

- call us.

Our phone number is at the end of this book.

How to move money between accounts

What you will need to move money

You will need your client number and password.

How to move money

1. Log into NetBank at this website

[NetBank.com.au](https://www.netbank.com.au)

2. Click **Transfers and BPAY**.
