Updates to the Prospectus

The section of the Prospectus entitled 'Recent Developments' on pages 154 to 158 of the Prospectus shall be updated to insert the following paragraphs at the end of this section:

“Wealth Management and Mortgage Broking Businesses Update

On 14 March 2019, the Group advised of an update on its remediation and demerger plans for its wealth management and mortgage broking businesses. The update followed the release of the Group's full response to implementing the recommendations from the Royal Commission.

The Group is prioritising the implementation of these recommendations, refunding customers and remediating past issues. Accordingly, the Group has suspended preparations for the demerger in order to support its focus on these priorities.

The Group remains committed to its strategy to become a simpler, better bank, including ultimately the exit of its wealth management and mortgage broking businesses.”
