Customer Information and Privacy

What information we collect

In this clause 'you' includes our customer and any person who holds office in an entity which is a customer. We collect information about you (such as your name, address and contact details), and information about your interactions with us, such as transactions on your account. We may also collect publicly available information about you.

Why we collect your information and what we use it for

We collect your information because we are required to identify you in accordance with the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 and in order to comply with taxation laws, such as the Taxation Administration Act 1953 and the Income Tax Assessment Act 1936. We also collect it to administer our customer relationships and internal processes including risk management and pricing, to meet our obligations in relation to external payment systems and under our arrangements with government agencies, and to identify and tell you about products and services that may interest you (unless you tell us not to). If you don't want to receive marketing information you can tell us by calling 13 2221, or speak to your relationship manager.

If you give us your electronic and telephone details, you agree we may use this to communicate with you electronically, by phone or SMS, including providing updates, reminders and (unless you tell us not to) marketing information.

You must give us accurate and complete information; otherwise you may be breaking the law and we may not be able to provide you with the products and services that you require. If you change your personal details (e.g. address, name or email address) you must tell us straight away.

Who we may exchange your information with

We may exchange your information with other members of the Group who may use your information for any of the purposes we can.

We may also exchange your information with others outside the Group, for example, your representatives, our service providers, other financial institutions (for example, in relation to a mistaken payment claim), enforcement and government authorities, relevant public registers and payment system operators (for example, BPAY Pty Ltd).

Sometimes it may be necessary to send your information overseas – for example, where we outsource functions overseas, send information to Group members overseas, where we need to complete a transaction on your behalf or where this is required by laws and regulations in Australia or in another country. See our Group Privacy Policy for more information.
