Your policy is governed by and construed in accordance with the law of Queensland, Australia and **you** agree to submit to the exclusive jurisdiction of the courts of Queensland.

You agree that it is **your** intention that this Jurisdiction and Choice of Law clause applies.

Your duty of disclosure

Before **you** enter into this insurance with **us**, **you** have a duty of disclosure under the Insurance Contracts Act 1984.

The Act imposes a different duty the first time **you** enter into a contract of insurance with **us** to that which applies when **you** vary, extend or reinstate the contract.

This duty of disclosure applies until the contract is entered into (or varied, extended or reinstated as applicable).

Your duty of disclosure when you enter into the contract with us for the first time

When answering **our** specific questions that are relevant to **our** decision whether to accept the risk of the insurance and, if so, on what terms, **you** must be honest and disclose to **us** anything that **you** know and that a **reasonable** person in the circumstances would include in answer to the questions.

It is important that **you** understand that **you** are answering **our** questions in this way for **yourself** and anyone else that **you** want to be covered by the contract.

Your duty of disclosure when you vary, extend or reinstate the contract

When **you** vary, extend or reinstate the contract with **us**, **your** duty is to disclose every matter that **you** know, or could reasonably be expected to know, is relevant to **our** decision whether to accept the risk of the insurance and, if so, on what terms.

Your duty however, does not require disclosure of any matter:

- that diminishes the risk to be undertaken by **us**; or
- that is of common knowledge; or
- that **we** know or, in the ordinary course of business as an insurer, ought to know; or
- as to which compliance with **your** duty is waived by **us**.

Non-disclosure

If **you** fail to comply with **your** duty of disclosure, **we** may be entitled to reduce **our** liability under the contract in respect of a claim, cancel the contract or both.

If **your** non-disclosure is fraudulent, **we** may also have the option of avoiding the contract from its beginning.

Claims are payable in Australian dollars to you

We will pay all claims in Australian dollars. **We** will pay **you** unless **you** tell **us** to pay someone else. The rate of currency exchange that will apply is the rate at the time **you** incurred the expense. Payment will be made by direct credit to an Australian bank account nominated by **you**.

You must not admit fault or liability

You must not admit that **you** are at fault, for any **accident**, incident or event causing a claim under **your policy**, and **you** must not offer or promise to pay any money, or become involved in legal action, without the approval of **Allianz Global Assistance**.

You must help us to recover any money we have paid

If **we** have a claim against someone in relation to the money **we** have to pay or **we** have paid under **your policy**, **you** must do everything **you** can to help **us** do that in legal proceedings. If **you** are aware of any third party that **you** or **we** may recover money from, **you** must inform **us** of such third party.

If you can claim from anyone else, we will only make up the difference

If **you** can make a claim against someone in relation to a loss or expense covered under this **policy** and they do not pay **you** the full amount of **your claim**, **we** will make up the difference. **You** must claim from them first.

Other insurance

If any loss, damage or liability covered under this **policy** is covered by another insurance policy, **you** must give **us** details. If **you** make a claim under one insurance policy and **you** are paid the full amount of **your claim**, **you** cannot make a claim under the other policy.

If **you** make a claim under another insurance policy and **you** are not paid the full amount of **your claim**, **we** will make up the difference, up to the amount this **policy** covers **you** for, provided **your claim** is covered by this **policy**. **We** may seek contribution to amounts **we** have paid, or must pay, from **your** other Insurer. **You** must give **us** any information **we** reasonably ask for to help **us** make a claim from **your** other Insurer.

Subrogation

We may, at **our** discretion undertake in **your** name and on **your** behalf, control and settlement of proceedings for **our** own benefit in **your** name to recover compensation or secure indemnity from any party in respect of anything covered by this **policy**.

You are to assist and permit to be done, everything required by **us** for the purpose of recovering compensation or securing indemnity from other parties to which **we** may become entitled or subrogated, upon **us** paying **your claim** under this **policy** regardless of whether **we** have yet paid **your claim** and whether or not the amount **we** pay **you** is less than full compensation for **your loss**. These rights exist regardless of whether **your claim** is paid under a non-indemnity or an indemnity clause of this **policy**.
