

GET TO KNOW ESSENTIAL SUPER - TRANSCRIPT

Voice over –

You know what they say about out of sight, out of mind? Well...

When was the last time you checked in on your superannuation?

Chances are you've been to the dentist, or a library, or visited great uncle Jack at his nursing home more regularly than poor old super.

It's a good idea to change that. Essential Super is a great option...

It's everything you need and nothing you don't

It's quick and easy to apply. Jump onto NetBank to apply online or visit a Commonwealth Bank Branch and in just a few simple steps – you'll be on your way.

Opening an Essential Super account is an important step to creating the super account that you will have with you for life.

You can view your Essential Super Account through NetBank

You view it the same way you do your everyday banking, and make changes just as easily through NetBank or by phone.

We can even help you consolidate old super accounts with our super concierge service.

Take advantage of our Lifestage option designed to change when you do. Or you can really step up your control with our other straightforward investment options.

Oh, and you're already approved to receive insurance and the best thing is that you can halve, double or cancel it to suit your needs at the time.

You can trust Essential Super to be transparent throughout the lifetime of your Super...with easy to understand, competitive fees.

Essential Super. Everything you need and nothing you don't...
