

# The quicker, easier way to manage school payments.

CommBank is proud to present *Qkr!*<sup>®</sup>  
by MasterCard<sup>®</sup>—the mobile phone app  
designed for Australian schools.

For busy parents and carers, finding time to pay fees, buy uniforms and order school lunches can be tough. Meanwhile, administration staff and canteen managers spend valuable time chasing up, processing and reconciling payments.

That's why *Qkr!*® by Mastercard was created. It's an easy-to-use mobile app for iPhones and Android smartphones that makes school payments a breeze.

Your parents and carers will love having the flexibility to pay fees and place orders at a time and place that suits them. And your administration staff will love the time saving and simplicity of fast, secure payments straight to your school account.
