Things you should know:

- For Essentials credit cards, the annual fee is charged monthly at \$5 per month, or \$2 per month if you (i) set up automated monthly repayments (through our AutoPay) from a CommBank transaction account; and (ii) opt-in to receive statements on this account through NetBank (and to enable this, you maintain your NetBank facility and provide us with a valid email address).
- For Essentials credit cards, cash advances will be blocked. Exceptions apply, as we are unable to block cash advance transactions that are not sent to us for authorisation and these will attract interest from the date the transaction is made, until it is repaid.
- For Low Fee credit cards, there is no annual fee in the first year and each year after that if you spend \$1,000 or more on purchases or cash advances in the previous year.
- For Low Fee Gold credit cards, there is no annual fee in the first year and each year after that if you spend \$10,000 or more on purchases or cash advances in the previous year.

- Includes cash advances through a terminal at ASB Bank in New Zealand, CommBank in Indonesia and CommBank in Vietnam. For cash advances and balance enquiries made through a non-CommBank ATM in Australia, the ATM owner may charge you a fee, which will be disclosed at the time of the transaction. If you proceed with the transaction, the ATM owner's fee will be debited to your account (in addition to any cash advance amount).
- Includes any funds transfers through NetBank, CommBank app, by calling 13 2221 and Australia Post.
- Applies to transactions for items we consider equivalent to cash, such as gambling, lottery tickets, money transfers or travellers cheques, including transactions which merchants tell us are for such items.
