Bonus Interest – AwardSaver, Youthsaver and GoalSaver Accounts

How to earn Bonus interest

In addition to standard interest, bonus interest is paid on:

- AwardSaver and Youthsaver accounts if you make at least one deposit to the account and have no withdrawals during a calendar month. Bonus interest received is shown separately on your account statement.
- For Youthsaver, effective 1 November 2017, standard interest rate applies to any portion of the balance above \$50,000.
- GoalSaver accounts if you deposit \$200 or more (excluding interest and bank initiated transactions) and make no withdrawals during a calendar month. The standard rate applies to balances \$1,000,000 and over.

How does Bonus interest on AwardSaver and Youthsaver accounts work?

- Deposits other than those made over the counter at one of our branches, may be processed by the Bank on the next business day. If the next business day falls in the next calendar month, the deposit is a qualifying deposit for bonus interest purposes for the new month, not the one before.
- Interest credited to the account is not a deposit.
- Bank or government fees or charges do not count as withdrawals.
- Bonus interest is calculated on the daily closing balance and credited to your account at the same time as standard interest.

Bonus Interest – Future Home Saver Accounts

How to earn Bonus Interest

- Bonus interest is calculated on the daily closing balance of your Future Home Saver account and will start accumulating as soon as you open your account and make a deposit. The bonus interest you accumulate within a calendar month will be added to your total accumulated bonus interest on the first calendar day of the following month.
- Bonus interest will be released upon the approval of application and settlement of an eligible CommBank home loan made through proprietary channels.

How does Bonus Interest on Future Home Saver accounts work?

- Bonus interest is non-compounding, which means interest is not paid on bonus interest as it accumulates.
- The amount of bonus interest you can earn is capped.
- The bonus interest rate and the bonus interest cap currently applicable to new Future Home Saver accounts can be viewed on www.commbank.com.au/futurehomesaver.
