The following changes are made to the PDS:

Page 6. About us

In the first paragraph, the sentence "CommInsure is a registered business name of CMLA." is replaced by "CommInsure is used under licence by CMLA."

The following new paragraph is added after the existing first paragraph:

CMLA has entered into a Joint Cooperation Agreement with AIA Australia Limited (AIA) and Commonwealth Bank of Australia (CBA) for the joint operation of the CMLA and AIA businesses. AIA is part of the AIA Group, the largest publicly listed life insurance group in the Asia Pacific region with a presence in 18 markets. Whilst CBA will remain the ultimate shareholder of CMLA, under the terms of the Joint Cooperation Agreement AIA will have an appropriate level of direct management and oversight of the CMLA business.

KEY INFORMATION

The Key Information summarises the benefits and exclusions that apply to Home Loan Protection. The words in italics have the meanings set out in the Glossary starting on page 18. Home Loan Protection means Loan Protection for Home Loan Customers.

What is Home Loan Protection?

Home Loan Protection is optional insurance from CommlnSure which could:

- help pay your *minimum monthly repayment*, if you lose your job involuntarily or if you're unable to work,
- pay a lump sum off your *home loan* if you suffer from a *trauma*, or
- pay your outstanding *home loan* balance if you suffer a *terminal illness* or pass away.

You can choose from two types of cover; Loan Repayment Cover and Loan Cover. You may choose to have both. You should read this document carefully to understand the terms, conditions and exclusions that apply to each type of cover.

The benefits of each cover option are shown in the table below. All benefits payable are subject to maximum amounts and/or the level of cover that you have chosen as described in this PDS.

Loan Repayment Cover		Loan Cover		
Unemployment	Disability	Trauma ¹	Terminal Illness ²	Death ²
If you are unable to work because of an injury or illness, or if you lose your job involuntarily, this cover could help pay your <i>minimum monthly repayment</i> .		If you are diagnosed with cancer, have a heart attack, stroke or coronary artery disease requiring bypass surgery, this cover could pay an amount equalling 10% of your <i>home loan</i> balance as at the date your policy started, or an amount otherwise agreed with you.		If you become <i>terminally ill</i> or pass away, this cover could pay a lump sum off your <i>home loan</i> , or your outstanding <i>home loan</i> balance.

¹Only one *trauma* benefit, will be paid for each person covered, and once paid, *trauma* cover for that person ends.

Trauma cover conditions, such as heart attack and cancer, have specific meanings, and a benefit is only payable if you meet the precise meaning of the definitions set out in Home Loan Protection Medical Definitions Reference Guide, which you can find at commbank.com.au/LPD

²Only one *terminal illness* or death benefit, will be paid for each person covered, and once paid, cover for that person ends.

Eligibility

Home Loan Protection is available to Commonwealth Bank *home loan* customers who are aged between 18 and 54 years, and living in Australia. If there is more than one borrower on your *home loan*, you can cover them both under the one policy (see page 13).

How much it costs

When you apply for Home Loan Protection, you'll receive a monthly premium estimate based on your age, your *home loan* size and the cover options that you have selected which you will find in your policy schedule (see page 12). The minimum monthly premium is \$25.

Level of cover

This refers to the amount that we will pay to you under Loan Cover and Loan Repayment Cover if you make a claim and that claim is accepted by us. There are a number of ways in which you can change or choose your level of cover.

- You can choose a level of cover of either 25%, 50%, 75% or 100% of the Loan Cover maximum benefits or Loan Repayment Cover benefits. Choosing a lower percentage reduces your premium (subject to the minimum monthly premium of \$25) and the benefits that you may receive. This is referred to as Partial Cover. See page 13. You will find your details of the benefits payable outlined in the table titled "A summary of the benefits and exclusions".

- You can request a decrease to your maximum benefit at any time, however a request to increase your maximum benefit is subject to the policy eligibility. This may decrease or increase your premium (subject to the minimum monthly premium of \$25) respectively.
- Refer to page 6 to understand the risks associated with this policy.

How to apply for Home Loan Protection

To apply you can:

- complete an application at any Commonwealth Bank branch, or
- apply online through NetBank, or
- call us on **13 2221**.

When applying for Loan Repayment Cover, we will ask you to confirm if you are employed for 90 consecutive days, working an average of 15 hours a week in non-seasonal employment. You must meet this condition to apply for Unemployment and Disability cover.

The cooling-off period

From the day we send you the policy schedule, you have 30 days to consider whether the policy meets your needs (the 'cooling-off period'). Within this period you can cancel the policy by contacting us and we will refund in full, any premiums you have paid.

A summary of the benefits and exclusions

Pre-existing Conditions

The following examples demonstrate how pre-existing condition exclusions apply.

Examples

Disability Benefit

Scott suffered lower back pain and received treatment 2 months **before** purchasing his policy.

Scott purchased his policy and 1 year later he had a recurrence of the same lower back pain.

He submitted a *disability* claim and was declined, as this is a recurrence of the same lower back pain he had **before** he purchased his policy.

If Scott had a recurrence of the same lower back pain at any time **after** the first 5 years of his policy, we would check whether he was continuously free of the condition in an unbroken 5 year period. Please refer to page 8 for the pre-existing condition exclusion that applies to *disability* benefits.

Trauma Benefit

Brendan suffered from cancer and commenced treatment 7 months **before** purchasing his policy.

Brendan purchased his policy and 4 years later he had a recurrence of the same cancer. He submitted a *trauma* claim and was declined, as this is a recurrence of the same cancer for which he was receiving treatment **before** he purchased his policy.

If Brendan had a recurrence of the same cancer at any time **after** the first 5 years of his policy, we would check whether he was continuously free of the condition in an unbroken 5 year period.

Please refer to page 11 for the pre-existing condition exclusion that applies to *trauma* benefits.

Terminal Illness and Death Benefit

Sarah has symptoms of a medical condition and goes to see her *medical practitioner* for treatment 6 months **before** purchasing her policy. Sarah purchases her policy and 3 years later her condition worsens and she is certified *terminally ill*. She submitted a *terminal illness* claim and was declined, as she had symptoms and received treatment for her condition that led to her *terminal illness* within the 12 months **before** she purchased her policy.

If Sarah was certified *terminally ill*, or passed away, at any time **after** the first 5 years of her policy, we would check whether she was continuously free of the illness in an unbroken 5 year period. Unfortunately, Sarah's condition continued to deteriorate and she didn't have a continuous 5 year period free of illness. Therefore her claim would be declined. Please refer to page 11 for the pre-existing condition exclusion that applies to the *terminal illness* benefit.

Meaning of words

The italicised words in this PDS have a particular meaning. Please see the Glossary on page 18 for these definitions.

In addition, in this document:

We/Us/Our – refers to the insurer, CMLA.

You – depending on the context, means either:

- The person applying for cover before Home Loan Protection is purchased; or
- The policyowner and person insured as named on the policy schedule.

Multiple policyowners hold the policy jointly.

Home Loan Protection means:

- Loan Protection for Home Loan customers.

Understanding the risks

- You should be aware that we only provide cover under Home Loan Protection for involuntary *unemployment, disablement, trauma, terminal illness* and death.
- The extent to which *terminal illness* and death benefits are payable under Home Loan Protection is measured by reference to the amount you owe on your *home loan*, at the time that you suffer a claim event.
- The amount that we pay for *terminal illness* and death reduces as you make your scheduled *home loan* repayments, but your premium remains the same.
- The extent to which *unemployment* and *disablement* benefits are payable under Home Loan Protection is measured by reference to your *minimum monthly repayment* on your *home loan*, at the time you suffer a claim event or become aware a claim event will occur.
- Any changes that impact your *minimum monthly repayment* on your *home loan*, will impact the benefits payable under *unemployment* and *disablement*, but your premium remains the same.
- If you increase your *home loan* amount, Home Loan Protection may not cover your new debt arrangements (refer to page 14 - Changing your policy).

YOUR POLICY

Loan Repayment Cover

Loan Repayment Cover applies if your policy schedule includes the words ‘Loan Repayment Cover’. The words in italics have the meanings set out in the Glossary starting on page 18.

Unemployment

When do we pay?

We'll pay an *unemployment* benefit if:

- You meet the definition of *employed* for at least 90 consecutive days immediately before you became *unemployed*,
- you've been *unemployed* for at least 30 consecutive days (your waiting period), and
- while you're *unemployed*, you're actively seeking work in Australia.

Disability

When do we pay?

We'll pay a *disability* benefit if:

- you were *employed* for at least 90 consecutive days immediately before you became *disabled*,
- you've been *disabled* for at least 30 consecutive days (your waiting period), and
- a *medical practitioner* certifies that you are *disabled*. Until we receive this certification we won't consider you to be *disabled*.

How much do we pay?

The *unemployment* or *disability* benefit that we will pay for each day that you are *unemployed* or *disabled* is 1/30th of the monthly benefit. The monthly benefit is the lesser of:

- the *minimum monthly repayment* that you are required to pay on your *home loan*, or
- 1% of the *home loan* balance, as at the date the policy started, or as otherwise agreed with you as shown on your policy schedule, or
- \$7,500.

To understand how much we will pay if you have Partial Loan Repayment Cover, please refer to page 13.

The minimum benefit we will pay is \$600 per month.

We calculate how much to pay by dividing your monthly benefit by 30 days and applying this to each day that you are *unemployed* or *disabled*. We start to pay the benefit after the end of the waiting period.

It's important to remember that your *minimum monthly repayment* may not be the same as the amount you actually pay off your *home loan* each month. For example, if the bank requires you to pay a *minimum monthly repayment* of \$2,000, and you are making payments of \$3,000, the *minimum monthly repayment* under your policy is \$2,000.

If you become *unemployed* again within 90 days of the end of a previous period of *unemployment*, we treat the two periods as one continuous period of *unemployment*.

If you become *disabled* again by the same injury or illness within 30 days of the end of a previous period of *disablement*, we treat the two periods as one continuous period of *disablement*.

Unemployment benefit example:

John has been *unemployed* for 60 days and, on the day he became *unemployed*, his *minimum monthly repayment* was \$3,600. If John's claim is accepted, we pay \$3,600 to his *home loan* account.

- We divide the *minimum monthly repayment* by thirty days ('30') to calculate a daily amount (\$3,600 / 30 = \$120 per day).
- We multiply the daily amount by the number of days of *unemployment* minus the waiting period.
- \$120 per day x 30 days (60 days minus the 30 day waiting period) = \$3,600 paid to his *home loan* account.

Disablement benefit example:

Emma has been *disabled* for 100 days and, on the day she became *disabled*, her *minimum monthly repayment* was \$1,500. If Emma's claim is accepted, we pay \$3,500 to her *home loan* account.

- We divide the *minimum monthly repayment* by thirty days ('30') to calculate a daily amount (\$1,500 / 30 = \$50 per day).
- We multiply the daily amount by the number of days of *disability* minus the waiting period.
- \$50 per day x 70 days (100 days minus the 30 day waiting period) = \$3,500 paid to her *home loan* account.

How do we pay?

We calculate the *unemployment* and *disability* benefit daily and pay it either fortnightly or monthly (or as we've otherwise agreed with you) in arrears. We pay the benefit to your *home loan* account, and we do this for each day you continue to be *unemployed* or *disabled*, for up to 12 months.

We'll only pay either the *unemployment* or *disability* benefit at any one time, regardless of whether:

- there is more than one person insured on the policy,
- more than one person insured is *unemployed* and/ or *disabled*,
- one person insured is both *unemployed* and *disabled*.

When we won't pay (exclusions)

Unemployment

We won't pay if:

- you resign, accept voluntary redundancy, take early retirement or abandon your *employment*,
- you become *unemployed*, directly or indirectly, because your job is seasonal in nature or because your fixed term contract or specified period of work ends,
- you don't meet the qualifying period: you become *unemployed*, or become aware that you will be *unemployed*, and the *unemployment* or your awareness, as applicable, occurs before, or within 60 days after:
 - i. your cover start date,
 - ii. the date your benefit amount was increased (this applies only to the increased amount), or
 - iii. the date your policy was re-instated,
- we've paid a death benefit or *terminal illness* benefit for you under your policy or such a benefit is payable,
- we're already paying an *unemployment* benefit or *disability* benefit for another person insured under the policy (see page 7),
- your *unemployment* cover or this policy has ended (see page 12).

We stop paying on the earlier of:

- the date your *home loan* is discharged,

 - ii. stop actively looking for work in Australia,
 - iii. permanently retire, or
 - iv. die,

- the date your *unemployment* cover or this policy has ended (see page 12).

Disability

We won't pay if:

- you're *disabled* due to an intentionally self-inflicted injury or infection (including attempted suicide), caused by you, whether you're sane or insane, within the 12 months after:
 - i. your cover start date,
 - ii. the date your benefit amount was increased (this applies only to the increased amount), or
 - iii. the date the policy was re-instated,
- you don't meet the qualifying period: the illness that caused the *disablement* occurred, was first diagnosed, the symptoms of it became apparent, or you received professional medical advice or treatment for the related condition on within 30 days after:
 - i. your cover start date,
 - ii. the date your benefit amount was increased (this applies only to the increased amount), or
 - iii. the date the policy was re-instated,
- you have a pre-existing condition: the *disablement* for which you were aware of, had symptoms, or received professional medical advice or treatment for the related condition, at any time within the 12 months before:
 - i. your cover start date,
 - ii. the date your benefit amount was increased (this applies only to the increased amount), or
 - iii. the date the policy was re-instated,
- Pre-existing conditions will be covered if you have been continuously free of the condition in an unbroken five year period following:
 - i. your cover start date,
 - ii. the date your benefit amount was increased (this applies only to the increased amount), or
 - iii. the date your policy was re-instated.
- we've paid a death benefit or *terminal illness* benefit for you under your policy, or such a benefit is payable,
- we're already paying an *unemployment* benefit or *disability* benefit for another person insured under the policy (see page 7),
- your *disablement* cover or this policy has ended (see page 12).

We stop paying on the earlier of:

- the date your *home loan* is discharged,
- the date we've paid 12 months worth of *disablement* benefits for any one continuous period of *disablement*,
- the day you:
 - i. *return to work* or the *disability* no longer prevents you from doing so,
 - ii. permanently retire, or
 - iii. die,
- the date we pay a death benefit or *terminal illness* benefit for a person insured under your policy,
- the date your *disablement* cover or this policy has ended (see page 12).

Loan Cover

Loan Cover applies if your policy schedule includes the words 'Loan Cover'. The words in italics have the meanings set out in the Glossary starting on page 18.

Trauma

How much do we pay?

If you suffer a *trauma*, we'll pay a *trauma* benefit equal to the lesser of:

- 10% of the *home loan* balance, as at the date the policy started, or an amount otherwise agreed with you as shown on your policy schedule, or
- \$75,000.

To understand how much we will pay if you have Partial Loan Cover, please refer to page 13.

The minimum benefit we will pay is \$2,000.

How do we pay?

We pay the *trauma* benefit to your *home loan* account. If paying the *trauma* benefit results in any early loan repayment or similar fees, we'll pay these as well. If, on the date we pay, the *trauma* benefit is more than the amount required to pay off the *home loan*, we'll pay the balance to you.

The *trauma* benefit covers cancer, coronary artery disease requiring bypass surgery, heart attack and stroke which have specific meanings and a benefit is only payable if you meet the precise meaning of the definition as set out in Home Loan Protection Medical Definitions Reference Guide. You can find that document at commbank.com.au/LPD You should read that document carefully, along with this PDS, to ensure this product is appropriate for you.

We will only pay a *trauma* benefit once for each person whose life is insured under your policy.

When we pay a *trauma* benefit, your maximum benefit is reduced by the amount we pay, and your premiums will also decrease (subject to the minimum monthly premium of \$25). We'll recalculate your premiums using your age when your cover started and your new maximum benefit. This recalculation will occur when your *trauma* benefit is paid and we'll advise you of your new maximum benefit.

Terminal Illness and Death

How much do we pay?

If you are certified *terminally ill*, we pay a *terminal illness* benefit, or if you die, we pay a death benefit. The benefit we pay is equal to the lesser of:

- the amount required to pay off your *home loan* on the date you were certified *terminally ill*, or on the date of your death (whichever is applicable), or
- the *home loan* balance, as at the date the policy started or an amount otherwise agreed with you as shown on your policy schedule, or
- \$750,000.

If your *home loan* balance, as at the date the policy started or an amount otherwise agreed with you as shown on your policy schedule is greater than \$50,000, the minimum benefit we will pay is \$50,000.

Where the amount required to pay off your *home loan* balance (plus any redraw funds available) is less than \$50,000 on date you were certified *terminally ill*, or on the date of your death (whichever is applicable), we will pay the lesser of:

- the *home loan* balance, as at the date the policy started or an amount otherwise agreed with you as shown on your policy schedule, or
- \$50,000.

When we pay the *home loan* balance, it will include the amount required to pay off your *home loan*, plus any redraw funds available. The outstanding *home loan* balance will be paid, with remaining benefits paid to you or your estate.

Examples:

Home loan balance, as at the date the policy started	Amount required to pay off your home loan balance	Available redraw funds	Minimum benefit payable	Benefit payable
\$220,000	\$165,000	\$10,000	\$50,000	\$175,000
\$150,000	\$35,000	\$0	\$50,000	\$50,000
\$40,000	\$15,000	\$5,000	\$40,000	\$40,000

To understand how much we will pay if you have Partial Loan Cover, please refer to page 13.

How do we pay?

We pay the benefit to your *home loan* account.

If paying the benefit results in any early loan repayment or similar fees, we'll pay these as well.

We will only pay one *terminal illness* or death benefit for each person whose life is insured under this policy.

We never pay both benefits. Once paid, all cover for that person ends.

Trauma benefit example: Nick had an outstanding balance of \$250,000 owing on his *home loan* on the day he suffered a heart attack. When Nick first bought Home Loan Protection, his *home loan* balance was \$500,000 and he covered the entire amount of his *home loan*. If Nick's *trauma* claim is accepted, we pay a *trauma* benefit of \$50,000 off the balance of Nick's *home loan*. The *trauma* benefit is equal to 10% of Nick's *home loan* balance as at the day the policy started. As a result of this *trauma* payment, Nick's maximum death and *terminal illness* benefit will reduce by \$50,000 to \$450,000. Nick's premium will also reduce. Once paid, the *trauma* benefit for Nick will end.

Terminal Illness benefit example: Lily had an outstanding balance of \$200,000 owing on her *home loan* on the day she was certified as *terminally ill*. Lily also had \$15,000 available in her *home loan* redraw. When Lily first bought Home Loan Protection, her *home loan* balance was \$400,000 and she covered the entire amount of her *home loan*. If Lily's claim is accepted, we pay a *terminal illness* benefit of \$215,000 which includes the amount required to pay off the balance of Lily's *home loan* and an amount covering the redraw funds available. All cover under Lily's policy ends after the *terminal illness* benefit is paid.

Death benefit example: Anthony had an outstanding balance of \$300,000 owing on his *home loan* on the day that he passed away. There was no redraw balance on his *home loan*. When Anthony first bought Home Loan Protection, his *home loan* balance was \$500,000 and he covered the entire amount of that *home loan*. Anthony's parents are the executors of his estate, and if their claim is accepted, we pay a death benefit of \$300,000 off the balance of the *home loan*. All cover under Anthony's policy ends after the death benefit is paid.

When we won't pay (exclusions)

Trauma

We won't pay if:

- the *trauma* results from an intentionally self-inflicted injury or infection (including attempted suicide), caused by you, whether you're sane or insane, and the *trauma* occurs within the 12 months after:
 - i. your cover start date,
 - ii. the date your benefit amount was increased (this applies only to the increased amount), or
 - iii. the date the policy was re-instated,
- you don't meet the qualifying period: the *trauma* occurred, was first diagnosed or the first symptoms of the *trauma* became apparent, or you received professional medical advice or treatment for the *trauma*, on or within 90 days after:
 - i. your cover start date,
 - ii. the date your benefit amount was increased (this applies only to the increased amount), or
 - iii. the date the policy was re-instated,
- you have a pre-existing condition: a *trauma* for which you were aware of, had symptoms, or received professional medical advice or treatment for the related condition, at any time within the 12 months before:
 - i. your cover start date,
 - ii. the date your benefit amount was increased (this applies only to the increased amount), or
 - iii. the date the policy was re-instated,
- Pre-existing conditions will be covered if you have been continuously free of the condition in an unbroken five year period following your cover start date, the date your benefit amount was increased (this applies only to the increased amount), or the date your policy was re-instated.
- you die from any cause within 30 days of first being diagnosed as suffering a *trauma*,
- a death benefit or *terminal illness* benefit has been paid, or is payable,
- this policy has ended (see page 12).

Terminal Illness and Death

We won't pay if:

- your *terminal illness* or death results from an intentionally self-inflicted injury or infection (including suicide or attempted suicide), caused by you, whether you're sane or insane, and the death or *terminal illness* occurs within the 12 months after:
 - i. your cover start date,
 - ii. the date your benefit amount was increased (this applies only to the increased amount), or
 - iii. the date the policy was re-instated,
- you have a pre-existing condition: an injury or illness for which you were aware of, had symptoms, or received professional medical advice or treatment for the related condition, at any time within the 12 months before:
 - i. your cover start date,
 - ii. the date your benefit amount was increased (this applies only to the increased amount), or
 - iii. the date the policy was re-instated,
- Pre-existing conditions will be covered if you have been continuously free of the condition in an unbroken five year period following your cover start date, the date your benefit amount was increased (this applies only to the increased amount), or the date your policy was re-instated.
- the death or *terminal illness* benefit has been paid, or is payable,
- this policy has ended (see page 12).

HOW YOUR POLICY WORKS

When your policy starts

Your policy starts on your policy commencement date. This date is outlined in your policy schedule and we send this to you separately.

Your policy schedule shows:

- the person (or persons) insured under the policy,
- the policy start date,
- the type of cover for each person insured
- the *home loan* number, and
- the amount of cover.

The cover chosen for each person insured under the policy begins on the cover start date for that person (as shown in the policy schedule).

When your policy ends

Your policy and all our obligations under it end when any of the following events occur:

- you or we cancel your policy,
- all cover under your policy ceases in accordance with the terms of your policy, or
- the Commonwealth Bank formally discharges or cancels the *home loan* for which you are covered under this policy as shown on your policy schedule.

All cover for a person insured under the policy ends on the earliest of:

- the person dying,
- us paying a death benefit or *terminal illness* benefit for them,
- the policy anniversary date before their 65th birthday.

Your premium

When you apply for Home Loan Protection, you'll receive a quote for the estimated monthly premium and, when your cover first starts, we'll send you a policy schedule which confirms the monthly premium that is payable. In some circumstances, there may be a difference between the estimated premium when you first receive a quote from us, and the actual premium that you pay once you have drawn down on your *home loan*. The premium will never be less than the minimum monthly premium of \$25.

We charge the first premium after the policy start date.

Your premiums are calculated on your approved *home loan* amount and your age at the time this policy starts. This means that your premium does not increase with age and does not decrease as your *home loan* balance reduces.

The following factors influence the cost of the premiums that you pay:

- **Loan Size:** The larger the *home loan* amount at the time that you apply for Home Loan Protection, the higher the premium.
- **Age:** The older each person covered is at the time that you apply for Home Loan Protection, the higher the premium.
- **Cover Types:** Your premium will be higher if you choose both Loan Cover and Loan Repayment Cover, than if you choose just one or the other. If you choose one type of cover then add the other type later, your premium will increase.
- **Partial Cover:** Choosing a lower cover percentage reduces your Loan Cover maximum benefits or Loan Repayment Cover benefits and your monthly premium (subject to the minimum monthly premium of \$25).

You are responsible for paying the premiums for this policy. We require you to pay the premiums in advance in regular monthly instalments.

Your premiums will be waived whilst you are receiving an *unemployment* or *disability* benefit.

You can pay by direct debit from a bank account or by a credit card acceptable to us. We do not accept AMEX or Diners Club cards. You can change the way you pay at any time as long as we have a current and acceptable payment authority from you. If you choose to pay by credit card you may be charged bank related fees i.e. bank interest.

If we pay a *trauma* benefit, or if you ask us to decrease your level of cover, your premium reduces (subject to the minimum monthly premium of \$25).

We can change the rate at which your premium is charged and, if we do this, we will:

- if a higher rate is to apply, give you one month's notice (or longer period as required by law) before increasing the amount you pay each month, and
- change the rate for all policies issued on the same terms as your policy (i.e. we won't single out your policy).

If you ask us to increase your level of cover, you'll normally be required to pay a higher premium.

Your cover

As you make your scheduled *home loan* repayments, the amount that we will pay for *terminal illness* and death reduces. Your premium will remain the same, unless you change your level of cover or we pay a *trauma* claim.

Changes to your home loan

If, after your policy starts, you make changes to the *home loan* which is insured under this policy, then you continue to be insured for an amount not exceeding the balance of the *home loan*, provided those amounts do not exceed maximum benefits payable as calculated at the commencement of your policy.

Example:

- Brett has an approved *home loan* from Commonwealth Bank for \$500,000 at a variable interest rate.
- Brett's cover under this policy starts on 1 July with a maximum benefit of \$500,000.
- In December, Brett splits the *home loan* which is covered under this policy as follows: \$200,000 variable rate and \$300,000 fixed rate.
- Brett is covered up to \$500,000.

Joint cover

If there's more than one eligible borrower on the *home loan*, you can apply for joint cover. You will both be policyowners and will both be insured under the one policy, but you don't have to take the same combination of cover types. For example, you might have Loan Cover while your partner has both Loan Cover and Loan Repayment Cover.

Partial Cover

You can choose to insure less than 100% of the Loan Cover maximum benefits or Loan Repayment Cover benefits as outlined in the table on page 3 titled "A summary of the benefits and exclusions". You can choose to insure 25%, 50% or 75%. Choosing a lower percentage reduces your premium (subject to the minimum monthly premium of \$25) and the benefits that you may receive.

For a *home loan* over \$750,000, we only cover the chosen percentage for the first \$750,000. For example, 50% cover on a \$1 million *home loan* provides \$375,000 of cover (50% of \$750,000), not \$500,000.

If you have both Loan Repayment Cover and Loan Cover, the percentage insured must be the same for both cover types. If you apply for a joint cover policy and you choose Partial Cover, the percentage of cover you nominate (i.e. 25%, 50% or 75%) must be the same for all policyowners.

Partial Loan Repayment Cover

The *unemployment* and *disability* benefit that we will pay for each day that you are *unemployed* or *disabled* is 1/30th of the monthly benefit. The monthly benefit is the lesser of:

- the *minimum monthly repayment* that you are required to pay on your *home loan* (multiplied by the chosen percentage), or

- 1% of the *home loan* balance, as at the date the policy started, or as otherwise agreed with you as shown on your policy schedule (already adjusted to reflect your chosen percentage), or
 - \$7,500 (multiplied by the chosen percentage).
- You will never receive less than \$600 per month. These benefits are paid for up to 12 months.

Partial Loan Cover

If you become *terminally ill*, we pay a *terminal illness* benefit, or if you die, we pay a death benefit. The benefit we pay is equal to the lesser of:

- the amount required to pay off your *home loan* on the date you were certified *terminally ill*, or on the date of your death, whichever is applicable, or
- the *home loan* balance, as at the date the policy started or an amount otherwise agreed with you as shown on your policy schedule (already adjusted to reflect your chosen percentage), or
- \$750,000 (multiplied by your chosen percentage).

If your *home loan* balance, as at the date the policy started or an amount otherwise agreed with you as shown on your policy schedule (already adjusted to reflect your chosen percentage) is greater than \$50,000, the minimum benefit we will pay is \$50,000.

Where the amount required to pay off your *home loan* balance (plus any redraw funds available) is less than \$50,000 on date you were certified *terminally ill*, or on the date of your death (whichever is applicable), we will pay the lesser of:

- the *home loan* balance, as at the date the policy started or an amount otherwise agreed with you as shown on your policy schedule (already adjusted to reflect your chosen percentage), or
- \$50,000.

Home loan balance, as at the date the policy started (adjusted to reflect the chosen partial cover percentage)	Amount required to pay off your home loan balance	Available redraw funds	Minimum benefit payable	Benefit payable
\$220,000	\$165,000	\$10,000	\$50,000	\$175,000
\$150,000	\$35,000	\$0	\$50,000	\$50,000
\$40,000	\$15,000	\$5,000	\$40,000	\$40,000

If you suffer a *trauma*, we'll pay a *trauma* benefit equal to the lesser of:

- 10% of the *home loan* balance, as at the date the policy started, or an amount otherwise agreed with you as shown on your policy schedule (already adjusted to reflect your chosen percentage), or
- \$75,000 (multiplied by your chosen percentage).
You will never receive less than \$2,000.

The right level of cover

Choosing a lower cover percentage reduces your premium by the same percentage (subject to our minimum monthly premium of \$25). For example, if you insured 50% of your *home loan*, your premiums will be 50% less than the amount that you would pay if you insured 100% of your *home loan*.

It's important to understand that any Partial Cover payment we make is unlikely to cover your entire *home loan* or *minimum monthly repayment*. Before choosing Partial Cover, please consider how this may affect your future financial situation.

Changing your policy

Change your level of cover

You can contact us at any time to change you cover:

- If you increase your level of cover, we will calculate a new premium based on your age at the time of your request.
- If you decrease your level of cover, we will calculate a new premium based on your age at the time your policy started.

You can request to increase your level of cover (subject to the conditions in this PDS) provided all persons named in the policy schedule are no older than 54 at the time we receive your requests.

If we accept your request to change your level of cover, we will tell you when your new level of cover becomes effective. We will also advise you of your new premium and maximum benefit.

Changes to your Partial Cover

If you have Partial Cover you can request us to change the percentage already selected (subject to the conditions contained in this PDS) to 25%, 50%, 75% or 100% (up to a maximum of \$750,000) to suit your needs.

Changes to who is covered

You can change who is insured under your policy, however, only borrowers on your *home loan* can be covered. If you add or remove a person insured from your policy, we'll provide you with written confirmation of this change. The cover for each person insured under the policy begins from the cover start date for that person (as shown in your schedule).

How to request a change

To request a change you can call us on **13 3982** between 8am and 8pm (Sydney time), Monday to Friday.

Cancelling your policy

How you can cancel your policy

You can cancel your policy at any time. To do this, call us on **13 3982** between 8am and 8pm (Sydney time), Monday to Friday.

Your policy and all cover under it will end on the day we process your cancellation request. Your policy does not have any cash value when you cancel it. If you cancel the policy after the cooling-off period you will not receive a refund of any premiums paid.

When we may cancel your policy

If you don't pay your monthly premium within one calendar month of the due date, we can cancel your policy on any date we nominate. If we do this we'll write to you. We will not accept claims for events that happen after your policy is cancelled.

If we cancel your policy due to overdue premiums, you can ask us to re-instate your policy, provided your premiums are not overdue for more than three months. If we agree to re-instate your policy, you must pay all outstanding premiums.

If your policy is cancelled and re-instated, exclusions that apply under the policy will apply again, from the date your policy is re-instated.

Making a claim

How to make a claim

If an insured event occurs, you or your legal representative should contact us as quickly as possible to give us the details.

If we consider it necessary, we may require access to all medical records and test results, so we can assess your claim. We can make any reasonable enquiries about the claim and we may require you to have a medical examination by a *medical practitioner* we nominate.

When we pay a claim

Once we've received all the necessary documents and assess whether your claim meets the terms of your policy, we'll pay your claim as soon as possible.
